Your follow up appointment dates for further immunisations are as follows:

1. _____ for _____
2. _____ for _____
3. _____ for _____

Medical Officer

Please ensure that each entry is signed by relevant health professional .

Recommended Plan for Immunisations:

In case you would like to commence your immunisations before you start university this is a suggested strategy for you to follow.

Start with

1. MMR / OPV

Then 2 - 4 weeks later

2. Twinrix (1) + ADT

3. Mantoux and CXR at Kobi House , Toowoomba Base Hospital

4. *Then 1 month later*

5. Twinrix (2)

Then 5 months later

6. Twinrix (3*)*

Six weeks later

7. Blood test to determine Hepatitis B titre level

Don't forget that you need to leave a 4 week gap between being immunised for MMR + OPV and attending for your Mantoux and Chest X ray.

PLEASE NOTE: It is important that you contact Kobi House on **46166446** to make an appointment for your Mantoux.

In 2003 appointments at Kobi House will be available on

31 March and 1 April	8 – 4pm
7 and 8 April	8 – 4pm
14 and 15 April	8 – 4pm

If you attend on a Monday you will have to return on the Wednesday

If you attend on a Tuesday you will have to return on the Thursday for a reading

IT IS YOUR RESPONSIBILITY TO INFORM NURSING FACULTY OF THE RESULT OR YOUR MANTOUX.
