STUDY REQUIREMENTS

What is the main purpose for this group coming to Australia?

Do you have any special request for this group, or any other information, which will help us to provide the most suitable program?

ACCOMMODATION

What type of accommodation would your group prefer?

( ) Homestay

( ) Student Apartments

If you have selected Homestay placement which type of placement would be most preferable?

( ) Single placement - one student per host family

( ) Double placement - two students from the same group per family*

* Each student will have his or her own bedroom in all cases

EXCURSIONS AND FIELD TRIPS

How often would you like the group to have field trips?

( ) Some afternoons

( ) Every afternoon

( ) Day

ASSESSMENT REQUIREMENTS

Does your group require official results for accreditation?

( ) Yes ( ) No

If yes, please send details of your specific grading requirements upon confirmation of the program.
(All participants receive a University of Southern Queensland Certificate).

Please fax this form to
English Language, Culture and Training Programs ELCP
on +61 7 4631 2434

LANGUAGE REQUIREMENTS

There are no mandatory English Language level requirements for participation. We will provide an interpreter (at an additional cost) for groups with very little previous English experience.

ACCOMMODATION AND TRANSPORTATION

A wide range of accommodation is available in Toowoomba.

Accommodation will be selected to meet the needs and budget of the group.

Homestay accommodation gives participants an opportunity to experience the lifestyle of an Australian family and to make lifelong friends. On overnight sightseeing trips, a high standard of accommodation is assured. All transfers to USQ campus daily for lectures and other activities are included. Also, organised tours, which form part of the official program, are inclusive of all transport costs.

CATERING

All programs include breakfast, lunch and evening meals.

TRAVEL AND MEDICAL INSURANCE

Fee-paying overseas program participants are not covered by Australia's national health scheme. It is a mandatory requirement of acceptance into a program, that all participants obtain comprehensive Medical and Travel Insurance before departing for Australia.

VISA REQUIREMENTS

The CLLT is not responsible for issuing visas, for visa information, acceptance or attainment. Program participants should contact the nearest Australian Embassy, High Commission or Consulate for information about the conditions of relevant visas and to obtain their visa before leaving their home country.

COST

The CLLT is happy to provide costings on any combination of modules at any time. No costings have been provided in this brochure, as individual module costs vary dependent upon time of year and number of participants. Our total program price, when calculated, includes return coach transfers from Brisbane, accommodation, tours, activities and catering, education kits including all necessary learning materials and Certificates of Completion issued by USQ. We also provide academic and management support staff, and a 24-hour emergency contact.

PAYMENT

Upon finalisation of the program, a contract is prepared which specifies the deposit and final payment figures and due dates. A deposit equating 20 % of the total cost is generally required at least two months prior to arrival in Australia, with the final balance due at least one month prior to arrival. As several of the available models

Having experienced the culture, history, economy and unique landscapes of Australia in this short time, I am impressed deeply. I really enjoy the bright sunshine, great beaches and friendly people here. I feel quite positive about this Australian trip. I don't want to but I must say good-bye to USQ!

Good-bye Australia!

Ruijun Zhang, China

Raising the Indonesian flag - one of the many celebrations held at USQ for Indonesian National Day
