RELOCATION OF POST OFFICE

It's official! Renovations are underway and the space in G Block is being prepared for the relocation of the Post Office. It is anticipated that we will be open for business at the new site on Monday November 07. The Post Office will remain open until the close of business on Friday 4 November with the relocation happening over the weekend.

2012 CALENDARS

We presently have 2012 Australian calendars in stock. The calendars are post friendly for domestic and international mailing as they are assessed as a large letter. Some are only $2.50 while we also have the very popular Steve Parish products in stock.

CHRISTMAS STAMPS

Christmas stamps go on sale from 1 November. Postage for Australian standard size cards will remain at 55c as per last year while international Christmas cards (maximum weight 20g) will cost $1.50 to post. We presently have gift lines, Christmas cards and XMAS wrap suitable for Christmas shopping.

BUDGET TIP

Australia Post can help you to budget the payment of your car registration. In order to take advantage of "paying off" your car registration, please ask at the Post Office for a Vehicle Registration Payment Scheme Application form. This will enable you to use a payment card linked to your vehicle registration to pay periodic amounts at the Post Office. These prepaid funds may be applied to either six monthly or twelve monthly registration renewals. Some people find that by budgeting to pay regularly they have very little to pay when the registration bill arrives. Ask us now for more information about this budgeting tool.

YOUR CHANCE TO WIN $20 000

Australia Post is presently running a competition for customers. Spend $20 or more for your chance to win $20 000. This competition closes at 8pm on 25 November. To be eligible to post your entry away, you need to spend $20 or more in a single transaction which includes billpay, passport applications, telephone recharges, postage and any purchase from the Post Office.

It may be your lucky day!
