

# INTERNET QUOTA FOR RESIDENTIAL COLLEGE STUDENTS

**All Residential Colleges students are able to use up to 4Gb of traffic per month free of charge**

**Unused quota DOES NOT accumulate.**

## TERMS & CONDITIONS

- It is YOUR responsibility not to exceed 4Gb from your bedroom
- You will NOT be cut-off if you exceed this allowance
- Once a user reaches 4Gb download shaping applies (the speed of access will decrease)
- We will receive a report of usage every 4 weeks
- We will invoice you monthly for any excess usage at \$5.50 per 1000Mb (1 Gb) or part thereof.
- You are required to comply with the Code of Practice for the Acceptable Use of Information Technology Resource which can be located at:  
<http://www.usq.edu.au/corporateservices/calendar/part10.htm>

## IMPORTANT:

While the University is very happy to provide Residential Colleges with this quota for our residents, all must be responsible and stay within the quota provided. The Residential Colleges network will continue to be monitored by the University and residents will have to explain any policy breaches.

### Quota Usage Accounting

**Internet Quota usage from USQ Labs** can be viewed by logging into USQ Connect front page and choosing Internet Quota from the menu appearing to the left of the screen.

**Internet Quota usage at Res College** can be checked by going to:  
<http://ressql.usq.edu.au/usage>

This page shows your current and previous months usage, allows you to identify daily traffic usage and is automatically updated every 1 hour.  
**If you think someone else is using your account, change your password immediately!**

(Please note that these daily breakdown figures are indicative only, and may differ slightly from the billing usage total assessed against your account.)
