

Ideas for events

Why run events?

Events are opportunities for alumni to get to know each other, have some fun and/or do something worthwhile. The interaction associated with events is probably the reason that most people join an alumni chapter.

Possible events

Some ideas for possible events are listed below. The type and frequency of events will be determined by your individual chapter and the interests of your members. In general it is a good idea to have a mix of events: social and professional; informal and formal; and some with partners and families and some just for alumni.

Low effort and no budget	Some planning and budget	Significant planning needed
<i>4-6 events per year</i>	<i>1-4 events per year</i>	<i>1 event per year</i>

Getting organised

In planning for each event the following key questions are useful to determine how to organise and promote the event:

- what is the event?
- who is the event primarily for?
- when and where will it be?
- why should they attend the event?
- how much notice do alumni need to be able to attend?
- who will be responsible for planning and running the event?
- are you going to charge to attending the event?
