## COVER

Detail from 'THE BARCELONA DIARIES', an editioned set of 3 artist's books by Stephen Spurrier, conceived during an Artist-in-Residence position in Barcelona, Spain as part of a Development Grant from the Visual Arts/Craft Board of the Australia Council. The printing of the book pages was funded by the Research Committee of the Faculty of Arts.

# *Creative, Performance, Professional, Research and Scholarly Activities Faculty of Arts, 2003*

The Faculty of Arts appreciates the creative, performance, professional, research and scholarly work of its staff and takes pride in acknowledging a wide range of high quality achievement across all fields of specialisation in the Faculty. Also listed here is a record of the work that Faculty have undertaken as part of their commitment to professional and community service. Australia's scholarly, arts and professional communities are greatly enriched by the willing, very often voluntary work of staff. On behalf of the Faculty, it is with pleasure and respect that I publish here an account of the energetic work of staff for 2003.

Congratulations to all on your contributions and achievements.

## DEST Research Activities

This category refers to activities categorised as research by the Department of Education, Science and Training (DEST).

The DEST research publications collection includes only four categories:

- A1 Authored books - research
- B Chapters (in a research book)
- C1 Refereed article in a scholarly journal
- E Conference paper - refereed

To be included the book must meet all of the following requirements:

- A major work of scholarship bound (or packaged if electronic) and offered for sale
- Have an ISBN number
- Consist mainly of previously unpublished material and make some substantial contribution to a defined area of knowledge
- Have been published by a recognised commercial press or publisher whose core business is to produce books and distribute them for sale

The following types of books are excluded:

- Textbooks, edited books, creative works
- Books published by private individuals, university departments and centres, government departmental publications
- Translations (unless accepted by a critical scholarly text)
- Revisions / new editions
- A scholarly introduction of chapter length to an edited volume or a critical scholarly text of chapter length can be counted as a chapter.
- Entries in reference works, revised chapters, forwards, brief introductions, brief editorials and works already published independently cannot be counted.

To be included as a refereed publication, proof of refereeing must be provided. Any one of the following is acceptable as proof of refereeing (for journal articles and conference proceedings):

- Inclusion on ISI Index (Institute for Scientific Information Citation Index)
- Classified as refereed in Ulrich's International Periodical Directory
- A statement in the journal or record of conference proceedings that the articles were routinely sent out for peer review
