- 2 Requirements for students to complete each assessment item satisfactorily:
Visual Arts students must satisfactorily complete all requirements in each workshop area in order to pass the course. Option students must satisfactorily complete workshop and project elements in order to pass the course.
- 3 Penalties for late submission of required work:
If students submit Dissertations/Projects after the due date without prior approval or documented medical circumstances, then a fail grade will be given.
- 4 Requirements for student to be awarded a passing grade in the course:
To be assured of a passing grade, students must meet the requirements of designated examiners.
- 5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.
