ASSESSMENT NOTES

- 9 It is the responsibility of the student to ensure that all chapter drafts, as well as the final draft of their dissertation, be written in an acceptable standard of English expression. If students' initial work is not of an acceptable standard, students will be encouraged to use the services of a copy-editor, or to seek assistance from a competent writer of English. It is not the supervisor's principal role to correct English spelling, expression or grammar, although appropriate advice will be given. Dissertations or drafts of chapters of dissertations that are not expressed to a standard of English expression acceptable to the supervisor will be referred back to the student for correction, and will not be submitted for examination until corrected. Students who fail to address this aspect of their dissertation risk failing the course. Any expenses incurred in having drafts checked by copy-editors will be met by the student. Please also note that while copy-editing may be carried out by someone

who is not the student, all the substantial content of the dissertation must be the student's own work
