### SYNOPSIS

The law of contract is the basis of all commercial transactions and essential for all facets of professional endeavour. Students will gain a broad theoretical understanding of the basis of the law of contract. Specifically the aim of this course is to equip students with the knowledge of the legal requirements for concluding contracts, the capacity of parties to enter in to contracts and the required content of a legally enforceable contract.

### OBJECTIVES

The course objectives define the student learning outcomes for a course. The assessment item/s that may be used to assess student achievement of an objective is/are shown in parentheses after each objective. On successful completion of this course, students should be able to:

1. apply general policies underlying the law of contract in Australia in order to evaluate those laws, in particular for the topics considered in this course (Assignment, Examination)
2. locate and analyse primary law materials and secondary materials (as relevant) while critically reviewing an issue in law relevant to the topics considered in this course (Assignment, Examination)
3. explain the legal principles relevant to the topics considered in this course (Assignment, Examination)

4. apply such legal principles to given fact situations in order to determine the likely outcome to issues raised (Assignment, Examination)
5. demonstrate satisfactory communication skills (Assignment, Examination).

## IMPORTANT ASSESSMENT INFORMATION

- 1 Attendance requirements:  
If you are an international student in Australia, you are advised to attend all classes at your campus. For all other students, there are no attendance requirements for this course. However, it is the students' responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration.
- 2 Requirements for students to complete each assessment item satisfactorily:  
To satisfactorily complete an individual assessment item a student must achieve at least 50% of the marks. (Depending upon the requirements in Statement 4 below, students may

- not have to satisfactorily complete each assessment item to receive a passing grade in this course.)
- 3 Penalties for late submission of required work:  
If students submit assignments after the due date without prior approval of the examiner, then a penalty of 5% of the total marks gained by the student for the assignment may apply for each working day late up to ten working days at which time a mark of zero may be recorded.
  - 4 Requirements for student to be awarded a passing grade in the course:  
To be assured of receiving a passing grade a student must achieve at least 50% of the total weighted marks available for the course.
  - 5 Method used to combine assessment results to attain final grade:  
The final grades for students will be assigned on the basis of the aggregate of the weighted marks obtained for each of the summative assessment items in the course.
  - 6 Examination information:  
This is a restricted examination. Students may take any written materials (non-electronic) such as text books, the study book and personal study notes (typed or handwritten) into the examination room. Electronic devices, such as laptops, mobile phones, etc are not permitted.
  - 7 Examination period when Deferred/Supplementary examinations will be held:  
Any Deferred or Supplementary examinations for this course will be held during the next examination period.
  - 8 University Regulations:  
Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Student Academic Misconduct for further information and to avoid actions which might contravene university regulations. These regulations can be found at <http://www.usq.edu.au/corporateservices/calendar/part5.htm>. Students should also read the Faculty of Business Policies and Procedures which can be found at <http://www.usq.edu.au/business/aboutfob.htm>.
