Course specification

The current and official versions of the course specifications are available on the web at <http://www.usq.edu.au/coursespecification/current>.
Please consult the web for updates that may occur during the year.

Description: Geographic Information Systems

Subject	Cat-nbr	Class	Term	Mode	Units	Campus
GIS	1402	90723	2, 2009	EXT	1.00	Toowoomba

Academic group:	FOENS
Academic org:	FOES05
Student contribution band:	2
ASCED code:	031199

STAFFING

Examiner: Badri Basnet
Moderator: Armando Apan

RATIONALE

The course is designed to introduce the fundamental concepts of Geographic Information Systems (GIS) and to provide students with a broad understanding of its capabilities and potential applications.

SYNOPSIS

The course will cover the basic concepts and principles of geographic information systems (GIS). Topics to be covered include general introduction to GIS, referencing systems, GIS data structures and formats, data acquisition and input, database management system and query, data analysis, mapping with GIS, selection of GIS, application of GIS and future of GIS.

OBJECTIVES

The course objectives define the student learning outcomes for a course. The assessment item(s) that may be used to assess student achievement of an objective are shown in parenthesis. On completion of this course, students should be able to:

1. demonstrate an understanding of the concepts of spatial and geographic information systems (Assignment 1, Online Quiz and Exam);
2. discuss the applications of GIS to a wide range of circumstances and demonstrate an understanding of its potential for information management and analysis (Assignment 1, Online Quiz and Exam);
3. demonstrate a basic familiarity with GIS software systems (Online Quiz and Exam);
4. be capable of preparing an initial design and identifying the information requirements for a geographic information system (Online Quiz and Exam).

TOPICS

	Description	Weighting (%)
1.	Introduction: Definition, evolution and history of GIS	10.00
2.	Referencing systems: Scales, projections and coordinate systems	15.00
3.	GIS data structure and topology: Data structure, formats, topology	10.00
4.	Data acquisition and input: Data conversion, sources field/image data	10.00
5.	Data query and management: Querying interface	10.00
6.	Data analysis: Importance of statistics in GIS, spatial analysis	10.00
7.	Data presentation: Map components	10.00
8.	GIS Software: Selection of GIS software	10.00
9.	GIS Case studies: GIS a multidisciplinary tool for spatial analysis	10.00
10.	Future of GIS: remote sensing, web mapping, software and others	5.00

TEXT and MATERIALS required to be PURCHASED or ACCESSED

ALL textbooks and materials are available for purchase from USQ BOOKSHOP (unless otherwise stated). Orders may be placed via secure internet, free fax 1800642453, phone 07 46312742 (within Australia), or mail. Overseas students should fax +61 7 46311743, or phone +61 7 46312742. For costs, further details, and internet ordering, use the 'Textbook Search' facility at <http://bookshop.usq.edu.au> click 'Semester', then enter your 'Course Code' (no spaces).

Delaney, J & Van Niel, K 2007, *Geographical Information Systems - an introduction*, 2nd edn, Oxford University Press, South Melbourne, Vic.

REFERENCE MATERIALS

Reference materials are materials that, if accessed by students, may improve their knowledge and understanding of the material in the course and enrich their learning experience.

Bernhardsen, T 2002, *Geographic information systems: an introduction*, 3rd edn, Wiley, New York.

Clarke, KC 2003, *Getting started with geographic information systems*, 4th edn, Prentice Hall, New Jersey.

(CD-ROM included)

DeMers, MN 2005, *Fundamentals of geographic information systems*, 3rd edn, John Wiley, New York.

STUDENT WORKLOAD REQUIREMENTS

ACTIVITY	HOURS
Assessments	51.00
Directed Study	52.00
Examinations	2.00
Private Study	50.00

ASSESSMENT DETAILS

Description	Marks out of	Wtg (%)	Due date
ASSIGNMENT 1	300.00	30.00	04 Sep 2009
ONLINE QUIZ	100.00	10.00	16 Oct 2009
2 HOUR CLOSED EXAMINATION	600.00	60.00	END S2 (see note 1)

NOTES

1. Student Administration will advise students of the dates of their examinations during the semester.

IMPORTANT ASSESSMENT INFORMATION

- 1 Attendance requirements:
There are no attendance requirements for this course. However, it is the students' responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration.
- 2 Requirements for students to complete each assessment item satisfactorily:
To satisfactorily complete an individual assessment item a student must achieve at least 50% of the marks or a grade of at least C-.
- 3 Penalties for late submission of required work:
If students submit assignments after the due date without extenuating circumstances then a penalty of 5% of the assigned mark may apply for each working day late up to a maximum of ten working days at which time a mark of zero can be recorded for that assignment.
- 4 Requirements for student to be awarded a passing grade in the course:
To be assured of receiving a passing grade in a course a student must obtain at least 50% of the total weighted marks for the course.
- 5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.
- 6 Examination information:
In a Closed Examination, candidates are allowed to bring only writing and drawing instruments into the examination.
- 7 Examination period when Deferred/Supplementary examinations will be held:
Any Deferred or Supplementary examinations for this course will be held during the examination period at the end of the semester of the next offering of this course.

- 8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL <http://www.usq.edu.au/corporateservices/calendar/part5.htm> or in the current USQ Handbook.

ASSESSMENT NOTES

- 1 The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner.
- 2 Students must retain a copy of each item submitted for assessment. This must be produced within five days if required by the Examiner.
- 3 In accordance with University's Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances.
- 4 The Faculty will normally only accept assessments that have been written, typed or printed on paper-based media.
- 5 The Faculty will NOT accept submission of assignments by facsimile.
- 6 Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the examiner of the course to negotiate such special arrangements.
- 7 In the event that a due date for an assignment falls on a local public holiday in their area, such as a Show holiday, the due date for the assignment will be the next day. Students are to note on the assignment cover the date of the public holiday for the Examiner's convenience.
- 8 Students who have undertaken all of the required assessments in a course but who have failed to meet some of the specified objectives of a course within the normally prescribed time may be awarded one of the temporary grades: IM (Incomplete - Make up), IS (Incomplete - Supplementary Examination) or ISM (Incomplete -Supplementary Examination and Make up). A temporary grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non directed personal study.
- 9 Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or to sit for an examination at the scheduled time may apply to defer an assessment in a course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).
