SYNOPSIS

Possession and transfer of property of all types has been and continues to be a source of wealth and the primary activity of commercial and private endeavour. The legal rules that determine how these transactions take place are vital for ensuring stability. This course is designed to introduce students to the concepts of property and basic principles of property law. Students will gain an awareness of concepts of real and personal property and principles governing the possession, creation and transfer of interests in property, tenures and estates in co-ownership. The recognition of native title and subsequent case law and legislation will be examined, as will concepts of Crown land and leasehold. Students will debate contemporary property law issues.

OBJECTIVES

The course objectives define the student learning outcomes for a course. The assessment item/s that may be used to assess student achievement of an objective is/are shown in parentheses after each objective. On successful completion of this course, students should be able to:

1. identify, describe and evaluate the general policies underlying the law of property in Australia (Quiz, Examinations)
2. describe how law protects various property interests (Quiz, Examinations)

3. demonstrate an understanding of how property is created, transferred and secured (Quiz, Examinations)
4. outline the resolution of disputes involving competing proprietary interests (Quiz, Examinations)
5. understand the fragmentation of property rights and the existence of differing proprietary interests (Quiz, Examinations)
6. critically analyse the operation of native title (Examinations)
7. demonstrate satisfactory communication skills (Quiz, Examinations)
8. debate the need for reform of current property law principles (Take-Home Examination).

IMPORTANT ASSESSMENT INFORMATION

- 1 Attendance requirements:
It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be assessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration.
- 2 Requirements for students to complete each assessment item satisfactorily:
To satisfactorily complete an individual assessment item a student must achieve at least 50% of the marks. (Depending upon the requirements in Statement 4 below, students may not have to satisfactorily complete each assessment item to receive a passing grade in this course.)
- 3 Penalties for late submission of required work:
If students submit assignments after the due date without prior approval of the examiner, then a penalty of 5% of the total marks gained by the student for the assignment may apply for each working day late up to ten working days at which time a mark of zero may be recorded.
- 4 Requirements for student to be awarded a passing grade in the course:
To be assured of receiving a passing grade a student must achieve at least 50% of the total weighted marks available for the course.
- 5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.
- 6 Examination information:
This will be an open examination. Candidates may have access to any printed or written material and a calculator during the examination. In line with regulation 5.6.4.2 'Use of Electronic Devices during Examinations', laptop and notebook computers are not permitted.
- 7 Examination period when Deferred/Supplementary examinations will be held:
Any Deferred or Supplementary examinations for this course will be held during the next examination period.
- 8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Student Academic Misconduct for further information and to avoid actions which might contravene university regulations. These regulations can be found at <http://www.usq.edu.au/corporateservices/calendar/part5.htm>.
