A WIDE SHOT OF EDUCATION CITY.

WARRICK

Hi. I'm Warrick. I'm a third year Bachelor of Applied Media Student at the University of Southern Queensland - Springfield.

I'll be showing you around today and also talking about how to operate with in campus.

This is the campus orientation.... You should also undertake an academic orientation at the start of the semester.

We've got a lot to cover... so let's get to it...

Warrick turns, and speeds off towards the campus.

WARRICK (V.O.)

The USQ Springfield campus is situated in the exciting new Education City precinct 25 minutes south west of the Brisbane CBD, Education City is a joint venture between Springfield Land Corporation and MIRVAC who own and operate the precinct including the carparks and student accommodation.

There are a range of other education providers including schools and training colleges and the Bremer Institute of TAFE.
