

VACATION EMPLOYMENT OPPORTUNITIES

SURVEYING

New Acland (near Oakey, Qld)

New Acland Coal is seeking a 2nd / 3rd year student to assist within the onsite surveying team. This vacation position would provide a great opportunity for anyone interesting in understanding how surveying can be applied to an open cut mining operation.

MINING ENGINEERING

New Acland (near Oakey, Qld)

New Acland Coal is seeking a vacation student to assist within New Acland's onsite technical services team. With the opportunity to learn the process of daily production and drill and blast, this vacation role offers the right person the opportunity to see what a position in the mining industry is really about. This vacation role would suit a 2nd / 3rd year student.

PROJECT TECHNICAL ASSISTANT

Head Office (Ipswich, Qld)

New Hope Coal is seeking a vacation student to assist New Hope's Project Management team. The successful student will have the opportunity to gain some hands on exposure to project management within a growing energy business.

The successful applicant will be exposed to all aspects of the project management process by providing assistance to various members of the Project Team. New Hope Coal currently has the water Pipeline and Stockpile Expansion projects underway with several others in planning stage.

ACCOUNTING

Head Office (Ipswich, Qld)

New Hope Coal is seeking a vacation student to assist within New Hope's in-house accounting team. The suitable candidate will have the opportunity to learn with hands on exposure to how an accounting function works within a growing energy business.
