Program focus

The Bachelor of Business Administration equips students with an understanding of the competitive environment in which private and public sector organisations operate, and provides students with the analytical and operational skills to resolve business problems in both sectors. The program provides flexibility to study areas of particular interest. Studying three minors prepares students for a range of careers in both the public and private sectors. Students receive a foundation in all aspects of business, with the flexibility to develop more than one area of expertise.

Career opportunities

Prepares students for careers within public or private sector national or global organisations. The structure of the program provides graduates with the knowledge and skills to be effective in a wide range of careers such as human resource management and leadership, marketing, finance, international business or general business.

Program aims

This program is a generalist degree aimed at equipping students with a broad understanding of how organisations operate in different environmental contexts, private, and public. It exposes students to a wide range of issues and challenges faced by managers as they strive to make organisations successful, sustainable and responsible stakeholders in society. Students develop relevant conceptual, analytical, functional, and operational capabilities

to equip them to confidently address a range of organisational and managerial challenges in contemporary organisations.

Program objectives

On the successful completion of the Bachelor of Business Administration graduates will be able to:

- demonstrate an understanding of the general managerial concepts, processes and principles relevant to the functioning of various types of organisations
- analyse the environments within which organisations operate and consider managerial implications
- demonstrate a working knowledge of and the ability to apply relevant principles in making decisions about matters that relate to the resources used by organisations, such as financial, human and information-related resources
- demonstrate a working knowledge of and the ability to apply relevant principles in managing various systems, processes and functions in organisations, such as communications, marketing, and people
- identify, analyse and manage a broad range of organisational issues and challenges
- demonstrate effective communication and interpersonal capabilities
- demonstrate an understanding of the importance of high ethical standards and socially responsible organisational practices and processes.

Admission requirements

- Year 12 English [4 SA] or equivalent.
- Candidates for admission to this program must satisfy the normal USQ entry requirements for undergraduate programs. Please refer to [Section 2.2 of the Admissions Policy](#), Section 2.2.1 (for Australian students) and Section 2.2.3 (for international students).
- International applicants must have met the [University's English language requirements](#) or have completed the [University's ELICOS/EAP programs](#).

How to apply

Domestic students

[Application for undergraduate programs](#) may be made through the Queensland Tertiary Admissions Centre (QTAC). The same procedure applies whether you plan to study on-campus or by distance education.

If you completed Year 12 at a Queensland secondary school you will be assessed for entry on the basis of your Overall Position (OP) or equivalent score. Year 12 students from other states or territories are considered for entry on the basis of their UAI, ENTER or TER and the subject prerequisites indicated. Other applicants will be based on their overall Rank.

International students

This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to [USQ International](#) for information about entry requirements, visa arrangements and how to apply.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of your higher education and you as a student pay a [student contribution amount](#), which varies depending on the courses undertaken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#). Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who reside outside Australia pay full tuition fees.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).
