Program focus

USQ's Master of Business Administration program has a global focus that gives you the practical skills to take your career to the next level. You will learn about change and sustainability across global markets and contexts, as well as areas of contemporary business management that develop advanced analytical and process skills essential to practising managers. As one of Australia's largest MBA's, this program is designed to help you understand and make critical decisions about change and to develop strategies to address such changes. You may choose to supplement your generalist skills by exploring an area of management in depth, chosen from a discipline specialisation. Specialisations available include: Digital Transformation, Finance, Global Business Management, Leadership, Project Management, Strategic Human Resource Management, Strategic Marketing, Sustainable Business, and General.

This program is available to graduates from any discipline with relevant professional work experience.

Professional accreditation

The Master of Business Administration (Project Management) is accredited by the US-based [Project Management Institute](#) (PMI). USQ is endorsed as a National Provider of Project Management education by the [Australian Institute of Project Management](#) (AIPM).

Program aims

The USQ MBA program will enhance student analytical skills related to management, people, markets, finance, and technical knowledge. Graduates will be able to solve complex organisational problems and be able to manage change through the mastery of particular skills related to creativity, information literacy, and self reflection. The program focuses on how to demonstrate leadership in global sustainability and how to understand the nature of ethical decisions across contemporary business practice. The USQ MBA program will enable graduates to work in virtual and non-traditional work environments and increase personal mastery in oral and written communication.

Program objectives

The MBA graduate will be able to:

- demonstrate applied knowledge of people, markets, finances, technology and management skills in practice
- identify and solve complex organisational problems, creatively, and practically to increase the effectiveness of management processes
- communicate professionally and effectively in a range of modes to various audiences to achieve targeted outcomes
- demonstrate an understanding of organisations in the global environment and the impact of these on organisational systems
- evaluate, synthesise and critically review theoretical frameworks with other evidence to provide solutions to real-world problems
- demonstrate reflective practice and apply learning to different contexts
- demonstrate an understanding of the impact of interpersonal communication on specific management processes and outcomes using relevant theories and concepts
- comprehend and address complex ethical dilemmas
- demonstrate an understanding of complex sustainable dilemmas and the need for responsible leadership
- demonstrate an understanding of the skills required to work in non-traditional and virtual working environments
- demonstrate the skills required for leadership of other, working in teams and working with people from diverse cultural and professional backgrounds in both virtual and real-time spaces
- communicate professionally and effectively in both oral and written communication to various audiences to achieve targeted outcomes.

Admission requirements

Candidates for entry into the Master of Business Administration must meet each of the following criteria to the satisfaction of the Director of Coursework Studies:

- a tertiary qualification at degree or equivalent level from a recognised institution
- a minimum of 3 years full-time equivalent work experience, as determined by the Director of Coursework Studies.

Candidates who do not have a degree will be permitted to enrol in the [Postgraduate Certificate in Business](#) (Business Foundation) only, provided that they have a minimum of 3 years full-time equivalent work experience, which includes relevant experience, as determined by the Director of Coursework Studies. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Business Administration.

Candidates who have a degree but do not have a minimum of 3 years full-time relevant professional work experience will be permitted to enrol in the [Postgraduate Certificate in Business](#) (Early Career) only. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Business Administration.

International applicants must have met the [University's English language requirements](#) or have completed the [University's ELICOS/EAP programs](#).

How to apply

Domestic students

[Application for postgraduate programs](#) may be made directly to USQ.

International students

This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to [USQ International](#) for information about entry requirements, visa arrangements and how to apply.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who reside outside Australia pay full tuition fees.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The MBA consists of 12 courses, each of one unit, and has the following structure:

- core (8 courses) - 4 foundation core and 4 non-foundation core courses
- discipline specialisation (4 courses) including the capstone course [MGT8002 Strategic Management](#) OR general specialisation (any 4 related courses with the permission of the Director of Coursework Studies).

IT requirements

For information technology requirements please refer to the [computer requirements section](#).

Other program requirements

Students must maintain good standing in this program. Please refer to Section 2 of the [Academic Standing, Progression and Exclusion Policy](#).

Articulation

Students who complete the Master of Business Administration are eligible to apply for the [Doctor of Business Administration](#), provided that they meet all of the admission requirements for that program. Please refer to the [Doctor of Business Administration](#) for further information, or contact the Postgraduate Program Administrators.

Exit points

A student who chooses not to complete or who does not maintain good standing in this program will be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program. This means:

- A student who successfully completes eight [Master of Business Administration](#) units may, upon application, exit with a Postgraduate Diploma of Business. A student who has successfully completed all the requirements of at least one specialisation may have one specialisation shown on their testamur.
- A student who successfully completes all requirements for the [Postgraduate Certificate in Business](#) may, upon application, exit with that qualification. A student who has successfully completed all the requirements of a 4-unit specialisation may have that specialisation shown on their testamur.

Exemptions

Exemptions may be granted on the basis of completed equivalent postgraduate or undergraduate study from a recognised university. In order for an exemption to be granted, the claim must meet the following specific requirements:

- the course was passed within 5 years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is sufficiently equivalent in objectives, content and weightings to a course prescribed in the Master of Business Administration program, or alternatively, the course is suitable as an elective
- the maximum exemptions granted are no greater than 6 courses for the Master of Business Administration
- exemptions approved in this program will not automatically apply to other programs offered by the USQ.
- the maximum number of exemptions that will be considered on the basis of undergraduate study is 4 courses.

Claims for exemption should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with the Faculty's exemption policies. Exemptions approved in this program will not automatically apply to other programs offered by USQ. Please contact the Faculty of Business and Law for further information.
