Choose a mobile plan that's right for you

Our mobile plans are simple and straightforward; they give you the freedom to choose the plan that suits you best, and the benefit of great coverage, service and reliability.

Member Plan

With our Member Plan, you have the choice of a 12 or 24 month plan, great call rates, the Bonus Option of your choice, a Member Credit and monthly included calls.

Our Member Plan would suit you best if you'd like the monthly Member Credit that appears on your bill to put towards repayments for a new mobile handset, or the calls on your account.

Casual Plan

On the other hand with our Casual Plans you have the flexibility to change your monthly spend as your needs change and there's no fixed term contract. Although you will miss out on a Bonus Option and won't receive a monthly credit, your plan will still have the benefit of included calls.

Our casual plan would suit you best if you want the freedom to change your plan to suit your changing lifestyle.

How the Corporate Staff Mobile Plan discount works

On a \$100 Member Plan call rates are 22¢ per 30-second block. When you take up the Corporate Staff Mobile Plan offer, the call rates effectively drop to 19.8¢*. That means you get lower call rates just for being an employee of a valued Telstra corporate or government customer. Even the Bonus Option you choose gets the discount!

Simple and straightforward, just like our plans.

* Some call types excluded (see back page of brochure).
