Dr Michael Steven Lane

- Nationality: Australian
- Place of Birth: Kilmore, Victoria, Australia

Employment History

Current position Senior Lecturer

2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010 Course leader, Course Administration, Conducting lectures and Tutorials, 45 Research Publications and 6 Research Grants, Supervision of 4 research students to completion, Completed PhD in 2003, graduated in 2004

1997-2002 Associate Lecturer, University of Southern Queensland, Course leader, Course Administration, Conducting Lectures and Tutorials, Research Publications Completed Bachelor of Information Technology (First Class Honours)

Payroll Master and System Analyst/Programmer 1993 - 1994 Morex Meats Australia Pty Ltd, Gatton, Queensland, Writing and maintaining Production programs and End user Programs in C programming language, Paradox Database Language, Lotus 123, Providing telecommunications and systems support and trouble shooting.

Summary of qualifications

1990 – 2004

1996 – Bachelor of Information Technology

1992 - Associate Diploma of Mathematics and Computing

Research Degrees

2004 – Doctor of Philosophy Information Systems

1998 - Bachelor of Information Technology (First Class Honours)

Industry qualifications

CoBit Foundation Certification 2007

ISO 20000 Foundation Certification 2009

Advanced Structural Equation Modelling 2009

Information Systems practitioner experience

1993 - 1994 System analyst/programmer and Payroll master

Prior to 1991 run a very successful contracting business in agriculture industry for 16 yrs

Education

1991 - 2004

University of Southern Queensland

Toowoomba, Qld

2004 – Doctor of Philosophy – (Information Systems)

1998- Bachelor of Information Technology (First Class Honours)

1996 – Bachelor of Information Technology

1992 - Associate Diploma of Mathematics and Computing

Teaching experience

Ten years experience in teaching undergraduate and postgraduate courses with School of Information Systems and Faculty of Business from 1997, University of Southern Queensland

Undergraduate:

1998 75222 Database Concepts and Development - Tutoring

1999 75221 Computer Security and Control - Course coordinator

1997-2000 75001 Introduction to Computing - Tutoring and course leadership

2004 CIS2006 E-Commerce Security – Course Leader

2008 - 2010 CIS2005 Principles of Information Security – Course leader

2009 CIS3003 Networks and distributed systems – ZUST China Teaching school

2009 CIS3008 IT Service Management

Postgraduate:

1997 75706 Object-oriented Information Systems - Development of course materials

1999 - 2000 75707 E-Business Strategy - Course Coordinator and Teaching Assistant

2001-2010 CIS8100 Global Information Systems Strategy - Course leader

2005 E-Business Security – Course leader

2005-2009 BUS8402 Research Methods 2 (Teaching Multivariate Analysis Component and Qualitative Analysis Component)

2007-2008 Information Systems Decision Support – Course leader

2009-2010 Business intelligence systems – Course leader

2007 2009 Management Issues in Telecommunications – Course leader

2007 Business Systems Planning and Implementation – Course leader

Postgraduate Student Representative on Faculty of Business Appeals Committee, 2001

Postgraduate Student Representative on Faculty of Business Academic Board, 1999-2002

Chair of School of Information Systems Learning and Teaching Enhancement Commitment (LTEC) Committee 2007–2010

Research Grants

1. Lane M. S. and Stagg, Adrian, The use of clickers to engage students and facilitate active learning in on campus classes, \$3,000
2. **Lane, M. S.** Van der Vyver, G. L. and Koronios, A, 2006 The changing role of the CIO: An Australian empirical study, University of Southern Queensland, Faculty of Business Contribution: \$5,900 funding commenced in January 2006, ongoing
3. Gao, Jing, **Lane, M. S.** Baird, A. and Koronios, A. An assessment of mobile applications, mobile devices and network infrastructure for field workers in managing engineering assets in an utilities corporation, SA Water, \$25,000 commenced in October 2006, completed January 12 2007.
4. **Lane, M. S.** and Van der Vyver, G. L. The impact of partnership quality on IT outsourcing success, University of Southern Queensland, Faculty of Business Contribution: \$5,100 completed September 2005
5. Delapachitra, S. **Lane, M. S.** Van der Vyver, G. and Howard, Srecko, A Feasibility Study of an E-Commerce Portal in Central Province, Sri Lanka, commissioned and funded by Sri Lankan Government, (\$10,000), Completed in February 2004.
6. Delapachitra, S. Van der Vyver, G. Beal, D. and **Lane, M. S.** Benchmarking Business Continuity Management Practices of Australian Financial Institutions, Faculty of Business, University of Southern Queensland Contribution: \$8,190, Industry Partner Fuji Xerox contribution: \$10,000 (18,190 in total) completed 2004.
7. Koronios, A. Ally, M. Brown, N. **Lane, M. S.** and Bull, T. Evaluation Framework for Electronic Commerce Turnkey Solutions, University of Southern Queensland Contribution: \$5,000 completed 2001

Grant Reviewer

2009 Social Sciences and Humanities Research Council of Canada

Research Centres

Advanced Computing Research Centre – University of South Australia – Adjunct Research Fellow in Strategic Information Management Laboratory

One of small number of academics from the Faculty of Business selected in 2007 to be a member of a USQ RQF Cluster on ICT services for remote users headed by Associate Professor Raj Gururajan, to be put forward for assessment for the proposed RQF in 2008.

Member of the Business Sustainability and Development Research Centre 2009 - 2010 based in Faculty of Business

Supervision of Research Students

Factors influencing SMEs decision to outsource IT services: A Hong Kong study, Masters Project, Alan Wong, 2007.

The Effect of Partnership Quality on IT Outsourcing Success: An Australian Study, Honours Project – Weng Haan Lum, 2005, Awarded High Distinct - First Class Honours

The Influence of Trust and Control on Virtual Communities for Free/Open Source Projects, Honours Project – Prajwal Basnet, 2004, Awarded High Distinction – First Honours

Effect of Service Quality and Partnership Quality on the Success of outsourcing IT in organisations, Honours Project – Eldar Hayijev 2004, Awarded 2A Distinction – Honours

Current research students being supervised:

Robert Poepjes, PhD project - Assessing information security awareness in terms of importance and risk to information security controls: a multiple stakeholder perspective

Markus Lembach, DBA project - Improving sales-force worker performance through task technology fit with mobile computing technologies: A study in the German pharmaceutical industry received confirmation of candidature to formally commence dissertation

Marhaini Mohd Noor PhD project Assessing the impacts of rural internet centre programs on quality of life on rural communities in Malaysia

Moyassar Alyas – Web based information systems commencing in 2010

Research Dissertation examined

2007 – Examined PhD – Curtin University of Technology, Perth, WA, Australia

2008 – Examined PhD – Edith Cowan University, Perth, WA, Australia

2008 – Examined Masters – Queensland University of Technology, Brisbane, Queensland, Australia

Academic Publications

Refereed Journal Articles

48. Delpachitra, S. and **Lane, M. S.** 2004, Preliminary feasibility study on the E-Commerce Project in Sri Lanka: Central Region E-Commerce Portal, commissioned and funded by the Sri Lankan Government.

Dissertations

Lane, M. S. The Management of Key Stakeholder Requirements in B2C Web Information Systems, Doctoral Dissertation, University of Southern Queensland, May 2004.

Lane, M. S. The Effect of Top Management Commitment, User Participation and Requirements Volatility on Software Development Productivity, Honours Dissertation, University of Southern Queensland, May 1998.

2010

Editor of Special Issue of Australasian Journal of Information Systems on Green IT/IS (Sustainable computing) to be published in 2010

Associate editor for AMCIS 2010 conference Green IS Track

Additional academic and professional activities

Co Track Chair for the ACIS 2010 conference Green IT/IS

Associate editor for the ACIS 2010 conference Changing Role of the CIO

2009

Participated in and completed the ACSPRI workshop on advanced structural equation modelling, Phillip Holmes-Smith - instructor, Australian National University, Canberra, Australia, 12-16th January 2009.

Presented a workshop with Dr Karen Miller on how to conduct a literature review for the USQ Research Supervisors Community of Practice 26th June 2009

Presented a seminar on Assessment and Technology enhanced learning for the School of Information Systems Retreat 7th April 2009

Participated in ½ day USQ Training workshop for Learning Management System - Moodle 22nd January 2008

Participated in ½ Training day USQ workshop for Integrated Content Environment system - ICE - Moodle 29th January 2008

2008

Invited and organised visit by Professor Gordon M Hunter to present two research seminars (1) Qualitative research methods in the field – grounded theory and repertory grid (2) Publishing in Tier 1 Journals – dealing with reviews and reviewers

2007

Co-Chair of the Information Systems Security and Privacy track for the 2007 18th Australasian Conference on Information Systems, Toowoomba, Australia, 5-7th December.

Participated in three day workshop and successfully completed the examination for Cobit Foundation certification November 2007

Invited and organised a USQ research seminar by Professor Gerald Quirchmayr, University of Vienna on Business Continuity in September 2007

Jointly planned, organised and coordinated with Angela Howard, School of Information Systems, Faculty of Business, University of Southern Queensland, Open Day, 19th August 2007

Invited and organised a USQ research seminar by Associate Professor Anne Rouse, Deakin University on IT outsourcing in July 2007

2007 – Invited Examiner for PhD dissertation on performance management of IT outsourcing in Australian Public Institutions – Curtin University of Technology, Perth, WA

Participated in USQ ARC Discovery workshop February 2007

Participated in 2 day Journal writing workshop run by Rob Brown

2006

Invited and organised for Mark Toomey of Infonomics, to present a research seminar on IT Corporate Governance to the School of Computer and Information Science, University of South Australia on 25th October 2006 and to present an industry workshop on IT Corporate Governance in collaboration with the School of Computer and Information Science at the Adelaide Convention Centre on 26th October 2006.

Invited and organised for Professor Michael Roseman Faculty of IT, QUT to present a research seminar on developing a research concentration to the IS Research Department and a research seminar to the University staff on his success in obtaining competitive ARC research grants – July 19th 2006

Invited and organised for Mark Toomey of Infonomics, to present two research seminars on ICT Corporate Governance to the Information Systems Department and to the University of Southern Queensland – June 28th 2006.

2005

Member of conference organising committee for second International Conference on Pedagogies and Learning, Faculty of Education, University of Southern Queensland, October 2005.

Invited and organised Industry Faculty of Business, University of Southern Queensland, Presentation by CIO – Roland Spitty of Visy Industries on Leveraging the Internet in their collaboration with Business Customers, Suppliers and Partners, July 19th 2005

Jointly ran 1 day workshop on e-Government for Sri Lankan Government Presidential Scholarship holders, Faculty of Business, University of Southern Queensland, March 29th 2005

2004

Chaired Session 1.2 IS Development 11:00 am – 12:30 pm in 15th Australasian Conference on Information Systems, Hobart, Tasmania December 1-3 2004

Participation in 1/2 day ARC grant writing workshop, Faculty of Business, University of Southern Queensland, November 9th 2004

Planned, organised and coordinated Division of Information Systems, Faculty of Business, University of Southern Queensland, Open Day, 15th August 2004

Jointly Run Tutorial for Learning and Teaching Strategies Workshop at University of Southern Queensland on 23th April 2004

2003

Delpachitra, S. Lane, M. S. and Srecko, H. Conducted Feasibility study for Electronic Commerce Portal in Central Region, Sri Lanka, October 23 – November 7th 2003

Jointly Run Tutorial for Learning and Teaching Strategies Workshop at University of Southern Queensland on 8th October 2003

Member of conference organising committee for International Conference on Pedagogies and Learning, Faculty of Education, University of Southern Queensland, October 2-4 2003.

Invited and Organised Department of Information Systems Extreme Programming 3 Day Workshop, Workshop Facilitator Steve Hayes, September 29th – 1st October 2003

Member of program committee for Informing Science and Information Technology Education Conference, Pori Finland, July 2003

Invited and organised Faculty of Business Research Seminar on Extreme Programming, by Guest Speaker Steve Hayes, June 24th 2003

Invited and organised Faculty of Business Research Seminar on ICT Planning, by Guest Speaker Peter Grant April 2003

Participation in 1/2 day Supervision Training Workshop at University of Southern Queensland, February 19th 2003

Participation in 1 day Recruitment and Selection workshop at University of Southern Queensland, February 22nd 2003

Participation in 2 day Learning and Teaching workshop at University of Southern Queensland, 13th and 14th February 2003.

2002

Ran 1 day workshop on E-government for Sri Lankan senior executive government officials, November 4th 2002

Chaired Design for Manufacture 2 , 2:30 pm – 4:00 pm session in PCMM 2002, Bangkok, 29th November 2002

Participation in one day workshop on Knowledge Management, Software Engineering Australia, October 15th 2002

Member of program committee and working group for IFIP TC8 Working Conference on Electronic Commerce in Copenhagen, Denmark, June 23-24, 2002

Participation in one day PhD Supervisors workshop at University of Southern Queensland, February 19th, 2002

E-Barc Research Centre - Committee Member 2000-2002

E-Barc Conference Update July 11th 2002 – Presentation on 3D SET/SECURE.

2001

Member of program committee and working group for IFIP TC8 Working Conference on Electronic Commerce in Salzburg, Austria, June 23-24, 2001

Panel Member on Global perspectives of Online E-business Courses in Business Schools and Collegiates, 9th European Conference on Information Systems, Bled, Slovenia, June 2001

E-Barc Conference Update June 11th 2001 <http://www.ebarc.indelta.com.au>

2000

Participated in 4th Pacific Asian Conference on Information Systems Doctoral Consortium, Hong Kong University of Science and Technology, 2000

Participated in 27th International Conference on Information Systems Doctoral Consortium, Sunshine Coast, Queensland, 2000

1999

Participated in 10th Australasian Conference on Information Systems Doctoral Consortium, Wellington University, Wellington, New Zealand, 1999

Professional Associations

Member of Association of Information Systems

Member of Australian Information Security Association

Special Guest Editor for following international journals:

Special Issue of the Australasian Journal of Information Systems on Green IT/IS (Sustainable computing)

Reviewer for following international journals:

Australasian Journal of Information Systems 2008

Journal of Information Systems Education 2010

Journal of Information Technology 2006, 2007

Journal of Information Systems Management 2009
