fulfilling lives

Overview of Workshop

- Welcome
- Keynote Presentation - Professor Geert Van Hootehem, K.U.Leuven, Belgium
- Student Presentations – Morning session
- LUNCH
- Student Presentations – Afternoon session
- PhD Student Networking – Speed Dating
- TEA/COFFEE BREAK
- SDI Research Challenges – the next big thing
- Close around 17:00

Aims of the Worksop

The workshop aims to:

- allow PhD students to present their research
- allow PhD students to meet their peers
- improve the quality of the research through supportive feedback from supervisors (other than their daily supervisor) or senior researchers

Organisers

- Associate Professor Kevin McDougall and Dev Raj Paudyal, University of Southern Queensland, Australia
- Dr. Joep Cromptvoets, Katholieke Universiteit Leuven
- Dr Tin Seong KAM, Practice Associate Professor, School of Information Systems, Singapore Management University
- Dr Bastiaan van Loenen, Delft University of Technology

In association with *Zorica Nedovic-Budic, University College Dublin, Rolf de By and Yola Georgiadou, Twente University, Abbas Rajabifard, University of Melbourne and Harlan Onsrud, University of Maine*

Program

9.30	<p>Opening</p> <p>Tea /Coffee</p>
10.00-10.15	<p>Welcome</p> <p>Assoc Prof Kevin McDougall, Uni of Southern Queensland, Australia</p>
10.15-11.00	<p>Keynote Address</p> <p>Professor Geert Van Hootehem,</p>
11.00-12.30	<p>Session 1: Presentations by PhD Students</p> <p>Chair Assoc Prof Kevin McDougall, Uni of Southern Queensland, Australia - Each PhD student will introduce his/her research (max 20 minutes; 15 minutes presentation and 5 minutes discussion)</p>
	Frederika Welle Donker, TU Delft
	Danny Vandebroucke, K.U.Leuven, Belgium
	Dev Raj Paudyal, U of Southern Queensland
	Serene Ho, University of Melbourne, Australia
	Koh Lian Chee, City University London, UK/SMU, Singapore
12.30-13.15	Lunch

Program

13.15-14.45	Session 2 : Chair -Dr. Kam Tin Seong, Singapore Management University
	Ezra Dessers, K.U.Leuven, Belgium
	Heri Sutanta, University of Melbourne, Australia
	Mabel Alvarez, National University of Patagonia, Argentina
	Lara Lopez Alvarez, Spain
14.45-15.45	PhD Individual Networking - Chair Dr. Bastiaan van Loenen, TU Delft and Dr. Joep Cromptvoets, K.U.Leuven, Belgium Speed Networking - short discussions with each professors on their topics
15.45-16.10	Tea /Coffee
16.15-17.00	Group Discussions: Challenges in SDI Research Dr. Bastiaan van Loenen, TU Delft and Dr. Joep Cromptvoets, K.U.Leuven, Belgium Break into 4 groups (2-3 professors and 3-5 students in each group), discuss key research challenges (30 min) and then report back (15 min).
17.00	Closing: Professor Harlan Onsrud
