

USQ Exchange partners

All USQ Exchange partners have courses available in English so you do not need to speak any other languages to participate. Please contact the [Student Mobility Officer](#) for advice if you are unsure of which university will be the best fit for your overseas study experience.

Canada

[Acadia University](#)

Fields of Study Available:

Sciences • Psychology, • Business • Computer Science • Humanities
• Creative Arts (particularly Music & Theatre)

Academic Calendar:

Fall Semester: September - December

Winter Semester: January - April

Canada

[Okanagan College](#)

Fields of Study Available:

Business • Science

Academic Calendar:

Fall Semester: September - December

Winter Semester: January - April

Canada

[Concordia University of
Edmonton](#)

Fields of Study Available:

Arts • Sciences • Psychology* • Business • Computer Science •
Education* • Humanities • Creative Arts.

Academic Calendar:

Fall Semester: September - December

Winter Semester: January - April

China

[Zhejiang University of Science
and Technology \(ZUST\)](#)

Fields of Study Available (*In English*):

Business • Science • Design* • Social Sciences • Mechanical,
Electrical and Civil Engineering.

Academic Calendar:

Autumn Semester: September - January

Spring Semester: February - July

Important Facts:

Students can take some additional Chinese language courses but they will be at an additional cost

USQ Exchange partners

China

[Jiaxing University](#)

Fields of Study Available (In English):

Electronic and Information Engineering • International Economics and Trade • Chemical Engineering and Technology • Environment and Energy • Software Engineering • Communication Engineering • Pharmaceutical Science

Academic Calendar:

Autumn Semester: September - January
Spring Semester: February - July

[International Summer Camp at Jiaxing University](#)

Chinese Language & Culture September

Taiwan

[National Changhua University of Education](#)

Fields of Study Available (In English):

Education* • Business • Science • Engineering.

Academic Calendar:

Semester 1: September – January

Semester 2 : February – June

Taiwan

[National Taipei University of Technology](#)

Fields of Study Available (In English):

Chinese • Business • Human Resource Management • Science • Electrical, Mechanical and Civil Engineering • Information Technology

Academic Calendar:

Semester 1: September – January

Semester 2 : February – June

USQ Exchange partners

France

[ESCEM School of Business and Management](#)

Fields of Study Available:

Business • Arts

Academic Calendar:

Fall Semester: September - December

Winter Semester: January – April

France

[ISG International Business School](#)

Fields of Study Available:

Business • Arts.

Academic Calendar:

Fall Semester: September – December

Winter Semester: January – April

Denmark

[VIA University College](#)

Fields of Study Available (In English):

Education • Engineering • Arts and Media • Design* • Film and Animation, • Health*,

Academic Calendar:

Autumn Semester: August - December

Spring Semester: February - June

Important Facts:

1. VIA UC run set programs that run for a whole semester. You cannot pick and choose courses and must select the semester program as a whole see [Programs](#)
2. Short term programs also available

USQ Exchange partners

Germany

[Hessen - Queensland Exchange Program](#)

Fields of Study Available:

Law • Business Administration and Economics • Social Sciences and Cultural Studies • History and Cultural Studies • Language • Literature • Culture • Psychology and Sports Science • Mathematics and Computer Science, Physics, Geography • Biology and Chemistry • Agricultural Sciences, Nutritional Sciences and Environmental Management • Veterinary Medicine • Medicine • Fashion & Design

Art • Design.

Academic Calendar:

Winter Semester: October 16 – March 31

Summer Semester April 1 – September 30

Germany

[University of Kassel](#)

Fields of Study Available:

Law • Business Management and Economics • Social Sciences • Mathematics • Natural Sciences • Linguistics and Cultural Studies •

USQ Exchange partners

Art • Aesthetics and Art History • Agricultural Science • Engineering •
General Education Teaching

Academic Calendar:

Winter Semester: October 15 – February 15

Summer Semester: April 9 – July 13

Important Facts:

Before you commence your studies, you will have to pass the German Language Examination for University Students (DSH).

[International Summer University Kassel](#) (In English)

- Engineering – Environment and Innovation
- Culture – International communication and German culture
- Nano science – Molecules and technology
- Sport science - Motor learning and Rowing

[International Winter University Kassel](#) (In English)

- Environmental Engineering
Key topics: Wind energy, low energy housing, photovoltaics, solar thermal technology, renewable energy from biogas and wastewater, hydro power
- German Culture Studies
Key topics: The "age of Goethe" (Goethe-Zeit), the end of the 19th century (Nietzsche), the revolutionary art movement (Bauhaus and Expressionism)

Additional Information about short term programs:

The university program is combined with several leisure time activities, such as workshops, excursions and a German language course, which is offered at different levels. Kassel's location in central Germany makes other destinations in Germany and Europe easily reachable within a few hours. Excursions to Berlin, Frankfurt or the historic city of Marburg are included in the program.

USQ Exchange partners

Germany

[Justus Liebig Universität Gießen](#)
(Giessen University)

Fields of Study Available:

Law • Business Administration and Economics • Social Sciences and Cultural Studies • History and Cultural Studies • Language, Literature, Culture • Psychology and Sports Science • Mathematics and Computer Science, Physics, Geography • Biology and Chemistry • Agricultural Sciences, Nutritional Sciences and Environmental Management • Veterinary Medicine* • Medicine*

Academic Calendar:

Winter Semester: October - February

Summer Semester: April – July

[International Summer Course](#) (limited registration) – offered in conjunction with Technische Hochschule Mittelhessen - August 31 - September 29

[International Spring Course](#) (limited registration) – offered in conjunction with Technische Hochschule Mittelhessen - 16 March to 7 April

Important Facts:

The language of instruction for most undergraduate programs is German – Some undergraduate programs and Masters programs are taught in English. See uni-giessen.de/international-pages/ce. In cooperation with the Technische Hochschule Mittelhessen University of Applied Sciences, every opportunity is given to exchange students to attend classes in German as a foreign language during the academic semester. Within each course, there are 4 hours of instruction per week, catering to various levels of language competence. The work-load involved amounts to 3 ECTS points for each course passed. Classes run from October to February and from April to July (i.e. during the academic semester) in the evenings – as a rule, on Tuesdays and Thursdays, 18:15 – 19:45 (each class lasting for 90 minutes or, in German, a 'Doppelstunde' or 'double hour').

These classes are free for students on exchange programs

Germany

[RheinMain University](#)

Fields of Study Available (In English):

Architecture • Design • Computer Science • Media • Applied Social Sciences • Business • Social Sciences • Mechanical, Electrical and Civil Engineering

Academic Calendar:

Summer Semester: April – July

Spring Semester: October – February

Important Facts:

Before you commence your studies, you will have to pass the German Language Examination for University Students (DSH).

Incoming exchange students whose Japanese proficiency is not enough for undergraduate programs can take Intensive Japanese program and courses offered in English.

Malaysia

[Universiti Tenaga Nasional](#)

Fields of Study Available

Mechanical, Electrical & Civil Engineering • Information Technology • Business

Academic Calendar

Semester 1 : May – September
Semester 2 : September – February

Worldwide

[ISEP](#)

Fields of Study Available:

All study areas in many different countries

Academic Calendar:

Varies according to the university and country

Important Facts:

The ISEP Exchange program is a bit different to our other direct partnerships.

USQ students choose from 'ISEP Exchange' host universities that are open to International Students.

You will need to nominate more than 1 university, as your first choice university is not guaranteed.

Some universities have a 'very limited' chance of placement. Make sure to include some host universities in your nomination that have a good chance of placement to improve your likelihood of being placed.
