You have now completed the application form for the Under 18 Carer Program

VISa reQUIrements

The Department of Immigration and Citizenship (DIAC) requires all international students who will be under 18 years of age when entering Australia on a student visa, to have appropriate accommodation, support and welfare arrangements in place. When you apply for a student visa, you will need to provide evidence that you will be living with a parent, custodian or relative, and that the University has approved your care arrangements.

WelFare arrangements

International students under 18 years of age can meet DIAC's visa requirements in a number of ways, including living with a parent or legal guardian, and living with a relative approved by DIAC. Alternatively, students can enter care arrangements approved by USQ, which is the purpose of this form. Students wishing to use the USQ Under 18 Carer Program must complete this form.

CaaW Form

If USQ accepts responsibility for your care arrangements, you will receive a Confirmation of Appropriate Accommodation and Welfare (CAAW) together with your Confirmation of Enrolment (CoE) for the purpose of applying for a student visa.

VISa Conditions

Students who have not turned 18 are subject to visa conditions that require them to maintain adequate welfare and accommodation arrangements. If the University has accepted responsibility for your care arrangements, you must not change these arrangements until you have sought written approval from the University. Approval to change arrangements will only be granted in line with the University's U18 International Student Policy and U18 International Student Care Framework. You also must not travel to Australia before the day that your welfare arrangements will commence.
