The Department of Foreign Affairs and Trade (DFAT) can provide an authentication or apostille of University of Southern Queensland testamurs, academic transcripts and AHEGS. BUT, before DFAT will process a request for an authentication or apostille they require USQ authentication (in the form of Graduation Office stamp & signatures) on any USQ issued original graduation documents. This form should be used if you require the authentication/apostille services of DFAT. See details of this process
