---

### Your Opportunity

Being an Academic Student Representative at USQ provides you with the opportunity to collaborate with students, staff and industry experts on decisions that enhance the teaching and learning services and the overall student experience. As an Academic Student Representative (ASR) you will be responsible for amplifying the student voice at all levels of decision making, through active participation on Committees, Boards and Advisory Groups.

### Your Key Responsibilities

---

Academic Student Representatives play a vital role in bridging the gap between students and the University and have several important responsibilities:

1. Regularly attend and actively engage in the committee meetings and ongoing conversations.
2. Provide regular updates to the committee (i.e. via written report or where appropriate verbal) on matters such as the degree, course modules, learning environment, resources and teaching methods etc.
3. Gather the opinions and views of students on all matters relating to learning, teaching and the student experience through coordination of student feedback sessions and forums.
4. Provide both positive and negative feedback to staff and fellow students and work with staff to identify appropriate solutions.
5. As a member of the University community, demonstrate the highest possible standards of professional and personal conduct, both as an individual and as part of a team; commit to regular engagement in personal, professional and team development; and demonstrate behaviour consistent with the key capabilities outlined in the USQ People Capability Framework.

---

### Is This The Role For You?

As an Academic Student Representative, you have the power to shape the future of the University for yourself, your peers and future students and in return you will:

1. Receive formal recognition of your work.
2. Receive access to funded student leadership conferences around Australia.
3. Receive access to funded networking opportunities and professional development courses.
4. Gain transferrable skills.
5. Gain experience in formal meetings and committee servicing requirements.
