

University of Southern Queensland Health Service Billing Policy – Toowoomba Campus

Australian Students

All students currently enrolled at USQ with a current Medicare Card are 'Bulk Billed'.

International Students

International students currently enrolled at USQ are 'Direct Billed' to their Overseas Student Health Cover (OSHC) if it is BUPA, Allianz or NIB.

If your OSHC cover is with another company e.g. Medibank Private or HCF then you will be required to pay at the end of your consultation. You may then claim your consultation costs with your OSHC Company either online or in person.

USQ Staff

General Practitioner Appointments: Staff may be required to pay a private fee for the day of consultation; however, this is at the discretion of your general practitioner. All appointments for results are bulk billed.

Nurse Practitioner Appointments: Staff will be required to pay a private fee for the consultation. All appointments for results are bulk billed.

Concession Cards

- All persons holding a concession card, health card or pension card will be bulk billed.
- All school age students will be bulk billed.
- All persons over the age of 70 will be bulk billed.
