## 30th Annual Conference of the Australasian Association for Engineering Education

The University of Southern Queensland (USQ) is proud to host the 30th Annual Conference of the Australasian Association for Engineering, AAEE2019, the premier professional development event for engineering educators in Australia and New Zealand, Sunday 8th to Wednesday 11th December 2019, at the Brisbane Convention and Exhibition Centre (BCEC).

There are two categories of sponsorship. The **General Sponsor (\$1000+GST)** and the exclusive **Main Sponsor (\$5000+GST)**. The general sponsorship consist of the listing the sponsor's logo on the conference website, in the printed conference handbook, verbal and written acknowledgements before and during the conference, and opportunity to include merchandises and promotional materials in the conference satchel. The main sponsorship consist of the benefits of the general sponsorship, 1 (one) full conference registration (worth \$880), naming right, a short message and floating slide show at the Welcome Reception and the Conference Dinner, and opportunity to chair one of the plenary sessions.

Contact the Conference Chair to express your support in partnering with AAEE2019 and the engineering education community.
