WELCOME BACK

A sincere welcome back is extended to all college residents. We trust that everyone had an enjoyable and restful inter-semester break and that this new semester will be a successful one for all. While you were away the Colleges hosted quite a few residential schools and accommodated a number of residential conferences/workshops. After a busy three week period we looked forward to your return to college!

FAREWELL TO DIENA

During the vacation we bade farewell to McGregor College resident fellow, Diena Grant-Thompson. Diena has left to take up a position as a Speech Therapist with a hospital in Newcastle. We would like to thank Diena for her contribution to McGregor College and our best wishes go with her for the future.

The tournament will be completed before mid-semester break.

Entry forms are available from the Union Office and must be lodged at their office by Friday, July 14.
