HECS Band: 2
ASCED Code: 080301

OTHER-REQUISITES
Pre-requisite: Associate Level membership or above, of the National Institute of Accountants.

SYNOPSIS
The aim of this course is to introduce students to the formal study of ethics related to business practice. It hopes to sensitise them as practitioners to the range of issues they may face, and to offer them a method of practical reasoning to assist in the resolution of ethical conflicts. From general considerations of ethics in business it will proceed to a discussion of particular issues and actual cases which will highlight the ethical demands of professional practice.
