SYNOPSIS
Mandarin Chinese is one of the official and working languages of the United Nations and is spoken by a very large population in the world. The Chinese were among the first migrants to settle in Australia and their language has been used for a long time in various community fields in Australia. Mandarin has been selected by the Education Department as one of the foreign languages to be taught in educational institutions at primary and secondary levels. Mandarin Chinese is also offered in most universities in Australia and abroad. The ever increasing diplomatic, trade and cultural relations between Australia and China have created a need for more and more people trained in Mandarin Chinese to promote wide-ranging exchanges between the two countries. In China about 80% of the population speak Mandarin and it is the official language in Modern China. Mandarin is also spoken in other countries and regions such as Singapore, Taiwan and Hong Kong.

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   In order to achieve course objectives, attendance at and participation in all learning activities are strongly advised. These are important factors in the development of oral and aural skills and as such will be monitored regularly and cumulatively. Students absent from classes are responsible for obtaining and completing all work and homework covered during their absence and for informing themselves of announcements regarding course-related activities and administrative matters.

2 Requirements for students to complete each assessment item satisfactorily:
   To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3 Penalties for late submission of required work:
   If students submit assignments after the due date without prior approval, then a penalty of 10% of the total marks available for the assignment will apply for each of the first FIVE working days late, after which a zero mark will be given.

4 Requirements for student to be awarded a passing grade in the course:
   To be assured of receiving a passing grade, a student must: (i) sit all oral/aural tests (including the final test) and submit all assignments at the time indicated in order to be eligible for a pass in the course. (ii) achieve at least 50% of the available weighted marks for the summative assessment items.

5 Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.

6 Examination information:
   The exam for this course is a CLOSED EXAMINATION, and candidates are allowed to bring only writing and drawing instruments into the examination.

7 Examination period when Deferred/Supplementary examinations will be held:
   Any deferred or supplementary examinations for this course will be held during the next examination period.

8 University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/SECARIAT/calendar/Part5/ or in the printed version of the current USQ Handbook.
ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must lodge the assignment at the USQ. (b) Students must retain a copy of each item submitted for assessment. This must be produced within five days if required by the Examiner. (c) In accordance with University's Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (e) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

OTHER REQUIREMENTS

1 Students must sit all oral/aural tests (including the final test) and submit all assignments at the time indicated in order to be eligible for a pass in the course.
