Description: Selected Studies B

Subject Cat-Nbr Class Term Mode Units Campus
CIS 8013 24724 2, 2003 ONC 1.00 TW MBA

Academic Group: FOBUS
Academic Org: FOB005
HECS Band: 2
ASCED Code: 020399

OTHER-REQUISITES
Pre-requisite: Subject to the approval of the applicable Head of Department (Information Systems) or Head of Department (Mathematics and Computing).

RATIONALE
This course allows flexibility in the postgraduate programme offered by the above two Departments.

SYNOPSIS
In this course students who are enrolled in postgraduate plans may undertake discipline-related studies. The content and objectives of the course will be determined in conjunction with the applicable Head of Department. The course encourages students to undertake independent study into the theoretical framework and current issues of the discipline.

OBJECTIVES
On successful completion of this course students will be able to:

- appreciate discipline-related theoretical and current issues.

TOPICS

Description Weighting (%)
1. Course coverage must be carefully defined prior to commencement, with specific objectives fully documented in consultation with selected staff 100.00

TEXT and MATERIALS required to be PURCHASED or ACCESSED:
Books can be ordered by fax or telephone. For costs and further details use the ‘Book Search’ facility at http://bookshop.usq.edu.au by entering the author or title of the text.
Dependent upon the student's approved programme.

**REFERENCE MATERIALS**

Reference materials are materials that, if accessed by students, may improve their knowledge and understanding of the material in the course and enrich their learning experience.

To be determined on an individual basis by student's supervisor.

**IMPORTANT ASSESSMENT INFORMATION**

1. **Attendance requirements:**
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. If you are an International student in Australia it is a requirement of your student visa that you attend all classes at your campus.

2. **Requirements for students to complete each assessment item satisfactorily:**
   To complete the project satisfactorily, students must obtain at least 50% of the marks available for the project.

3. **Penalties for late submission of required work:**
   Progress to be acceptable to the supervisor.

4. **Requirements for student to be awarded a passing grade in the course:**
   To be assured of receiving a passing grade a student must achieve at least 50% for the project.

5. **Method used to combine assessment results to attain final grade:**
   The final grades for students will be assigned on the basis of the marks obtained for the project.

6. **Examination information:**
   Supervisor to advise.

7. **Examination period when Deferred/Supplementary examinations will be held:**
   Not applicable.
8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL: http://www.usq.edu.au/SECARIAT/calendar/Part5/ or in the printed version of the current USQ Handbook. Students should also read The Guide to Policies and Procedures of the Faculty which can be found at the URL: http://www.usq.edu.au/handbook/2003/title663.html or in the printed version of the current USQ Handbook.
