SYNOPSIS

The project for the Master of Information Systems comprises the writing of a project (maximum of 12,500 words) which will incorporate a literature component together with a practice-oriented project. Students examine a professional area of interest relating to information technology and are assisted by one or more supervisors with appropriate background. Each candidate for the project is required to submit a proposal for approval and endorsement at the commencement of the project. Topics are usually drawn from the candidate’s experience and interest.

TEXT and MATERIALS required to be PURCHASED or ACCESSED:

Books can be ordered by fax or telephone. For costs and further details use the 'Book Search' facility at http://bookshop.usq.edu.au by entering the author or title of the text.

(revised edition)

REFERENCE MATERIALS

Reference materials are materials that, if accessed by students, may improve their knowledge and understanding of the material in the course and enrich their learning experience.

Existing projects/project reports in USQ and other libraries should be consulted.
