SYNOPSIS

The project for the Master of Information Systems comprises the writing of a project (maximum of 12,500 words) which will incorporate a literature component together with a practice-oriented project. Students examine a professional area of interest relating to information technology and are assisted by one or more supervisors with appropriate background. Each candidate for the project is required to submit a proposal for approval and endorsement at the commencement of the project. Topics are usually drawn from the candidate’s experience and interest.

TEXT and MATERIALS required to be PURCHASED or ACCESSED:

Books can be ordered by fax or telephone. For costs and further details use the 'Book Search' facility at http://bookshop.usq.edu.au by entering the author or title of the text.

REFERENCE MATERIALS

Reference materials are materials that, if accessed by students, may improve their knowledge and understanding of the material in the course and enrich their learning experience.

Existing projects/project reports in USQ and other libraries should be consulted.

NOTES:

- Examiner to advise submission date.

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. If you are an International student in Australia it is a requirement of your student visa that you attend all classes at your campus.

2 Requirements for students to complete each assessment item satisfactorily:
   Not applicable.

3 Penalties for late submission of required work:
   Not applicable.

4 Requirements for student to be awarded a passing grade in the course:
   The project must be certified by two internal Examiners as satisfactory for the award of the degree of Master of Information Systems. Students who receive a Satisfactory Progress (SP) for this course but have not yet completed the dissertation must enrol in the second course CIS8016 Master of Information Systems Project Continuing (zero-unit, no-fee course) to complete their project. To obtain a passing grade in the project, students must perform satisfactorily in all aspects of assessment. A grade of Satisfactory Progress (SP) or Fail (F) may be awarded.

5 Method used to combine assessment results to attain final grade:
   The final grades for students will be based on the reports of the two Examiners. A grade of HD, A, B, C or F will be awarded.

6 Examination information:
   There is no examination in this course.

7 Examination period when Deferred/Supplementary examinations will be held:
Not applicable.

8 University Regulations:

Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL: http://www.usq.edu.au/SECARIAT/calendar/Part5/ or in the printed version of the current USQ Handbook. Students should also read The Guide to Policies and Procedures of the Faculty which can be found at the URL: http://www.usq.edu.au/handbook/2003/title663.html or in the printed version of the current USQ Handbook.
