RATIONALE
Courses USQ89005 - USQ89008 will provide a significant opportunity for doctoral study which will enhance professional practice in a particular field of education and will allow educators to investigate professional practice problems at the doctoral level and proffer solutions. The courses will provide the opportunity for educators to develop and apply appropriate theoretical frameworks to the study of professional practice and to contribute to the advancement of knowledge in this domain. Criteria for completion and examination of these courses will be equivalent with the University's criteria for completion and examination of doctoral studies.

SYNOPSIS
This is a supervised research course. Three research alternatives are offered - a Dissertation or one of two Folio Alternatives (Substantial Investigatory Project/Multiple Investigations). This course will involve students in a number of tasks namely the presentation of the study for external examination, the use of presentation methods that are consistent with the type of study undertaken (e.g. Dissertation or Folio), the selection of methods of dissemination of knowledge that are consistent with the type of study undertaken (Dissertation or Folio).
OBJECTIVES

On the completion of this course students will be able to:

- Present a thesis or folio for external examination.
- Select and use presentation methods that will promote the dissemination of knowledge.
- Extend and expand the research base of professional practitioners in a selected area.
- Demonstrate a high level of understanding of key issues and insights into professional leadership of a selected area of study.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
   There are no attendance requirements for this course. However, it is the students' responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration.

2. Requirements for students to complete each assessment item satisfactorily:
   Requirement as negotiated between student and Supervisor.

3. Penalties for late submission of required work:
   Supervisor may decline to assess work submitted late.

4. Requirements for student to be awarded a passing grade in the course:
   Requirements as negotiated (see 2 above) achieved to the satisfaction of the Supervisor(s).

5. Method used to combine assessment results to attain final grade:
   As P is the only passing grade available for this course, all students who are qualified for a passing grade as in Assessment 4 will be given a grade of P. Other students will be given either a Failing grade or an Incomplete grade.

6. Examination information:
   There is no examination in this course.

7. Examination period when Deferred/Supplementary examinations will be held:
   There will be no Deferred or Supplementary examinations in this course.

8. University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/SECARIAT/calendar/Part5/ or in the printed version of the current USQ Handbook.

ASSESSMENT NOTES

1. Student work, such as draft chapters, outlines, etc., to be submitted in a form and format indicated by the Supervisor(s).

2. When there is more than one marker for a single item of assessment, the distributed patterns and means for the different markers will be compared and marks adjusted if necessary.
3 Marking criteria are provided in course material as mark sheets/guides or as part of assignment specifications.
