OTHER-REQUISITES
Pre-requisite: Unless special circumstances have been approved by the Director of Post Graduate Studies, the student must have successfully completed a minimum of six courses of study before enrolling in this course.

SYNOPSIS
As students draw closer to meeting the full requirements for graduating from the course, it is absolutely essential that they have the opportunity to integrate and synthesise the knowledge and competencies developed to date in relation to their professional and managerial responsibilities. This course allows students to identify and articulate the strategic issues that organisations are confronting. Students will be able to draw upon some of the critical concepts, techniques and information from other courses studied in order to develop informative and comprehensive responses to some of the key questions encountered in the strategic management of an organisation. This course provides a framework for analysis and integration by focusing attention on the development of an organisation's strategic directions, strategic capabilities and internal and external dynamics.

OBJECTIVES
Completion of this course will enable students to:

- apply the processes of business strategy development, evaluation and selection to an organisation;
- develop a framework for implementation of a strategy/strategic plan; and
- make a contribution to the field of strategic management in the form of a paper of publication standard.

The onus is on the student to provide proof of the despatch date, if requested by the Examiner. (ii) Students must retain a copy of each item submitted for assessment. This must be produced within five days if required by the Examiner. (iii) The Examiner may grant an extension of the due date of an assignment in extenuating circumstances. Students may apply for an extension through the DEC before the due date or by including an application with the submitted assignment after the due date. Such applications should be in writing and include supporting documentary evidence. The authority for granting extensions rests with the relevant Examiner. (iv) The Examiner will normally only accept assessments that have been written, typed or printed on paper-based media. (v) Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the Examiner to negotiate such special arrangements. (vi) In the event that a due date for an assignment falls on a local public holiday in their area, such as a Show holiday, the due date for the assignment will be the next day. Students are to note on the assignment cover the date of the public holiday for the Examiner's convenience.
