3 Penalties for late submission of required work:
   If students submit assignments after the due date without prior approval then a penalty of 20% of the total marks gained by the student for the assignment will apply for each working day late.

4 Requirements for student to be awarded a passing grade in the course:
   To be assured of receiving a passing grade a student must attempt all of the summative assessment items, achieve an aggregated mark of at least 50% in the total marks allocated for the assignments, achieve at least 50% in the examination, and at least 50% of the available weighted marks for the summative assessment items.

5 Method used to combine assessment results to attain final grade:

ASSESSMENT NOTES

1 Assignments: (i) The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner. (ii) Students must retain a copy of each item submitted for assessment. This must be produced within five days if required by the Examiner. (iii) The Examiner may grant an extension of the due date of an assignment in extenuating circumstances. Applications for
extensions should be in writing and must include supporting documentary evidence. Extensions are only granted in unforeseen and uncontrollable circumstances. The Examiner shall consider all documentary evidence (including statement from a doctor, employer, counsellor or independent member of the community as appropriate) accompanying an application for extension and decide on the outcome. Length of extensions: Up to one week's extension (five working days) may be granted if a signed statement with supporting documentation is sent with the assignment, proving that an unforeseen and uncontrollable circumstance caused the delay, for example unusual and unpredictable work or family commitments. If the signed statement and supporting documentation does not show that unforeseen and uncontrollable circumstances were present for the days claimed, then the normal reduction in marks for a late assignment of 20% per working day will apply. Extensions beyond one week are not allowed unless express permission is obtained from the Examiner. Extensions beyond one week are only granted in extreme circumstance because model answers may be distributed after this time. If you are likely to require an extension for a longer period than one week, you must contact the Examiner for advice. In most cases, you will be required to complete an alternative make-up assignment. However, make-up assignments are only granted if you have passed all other pieces of assessment for the course. Medical extensions: In the case of an application for extension for medical reasons, the documentation should include a statement from a doctor stating: the date the medical condition began or changed; how the condition affected the student's ability to study; when it became apparent that the student could not submit the assignment. As a rule, you will be granted an extension for the number of working days covered on a medical certificate. In the case of a medical extension, you do not need to contact the Examiner unless you require an extension of longer than one week. Extensions for family/personal reasons: In the case of an application for extension for family/personal reasons, the documentation should include a statement from a doctor, counsellor or independent member of the community stating: the date the student's personal circumstances began or changed; how the circumstances affected the student's ability to complete the assignment; when it became apparent that the student could not complete the assignment. In the case of an extension for family/personal reasons you must contact the Examiner before the due date to discuss the reason for the extension and to negotiate the length of an extension if granted. Extensions for employment-related reasons: In the case of an application for extension for employment-related reasons, the documentation should include a statement from the student's employer stating: the date the student's employment began or the conditions of employment changed; how this prevents the student from completing the assignment. In the case of an extension for employment-related reasons you must contact the Examiner before the due date to discuss the reason for the extension and to negotiate the length of an extension if granted. (iv) The Examiner will normally only accept assessments that have been written, typed or printed on paper-based media. (v) The Examiner will not accept submission of assignments by facsimile. (vi) Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the Examiner to negotiate such special arrangements. (vii) In the event that a due date for an assignment falls on a local public holiday in their area, such as a Show holiday, the due date for the assignment
will be the next day. Students are to note on the assignment cover the date of the public holiday for the Examiner's convenience.

2 Text Books: Please note that it is the responsibility of the student to acquire a copy of the textbook as soon as their enrolment in the course has been confirmed. Extensions will not be granted on the basis of the student not having a copy of the text, if the text is available from the USQ bookshop.

3 Word Count in Assignments: Students must put the 'word count' for their assignment on the front page of the assignment. The word count is the number of words in the body of the assignment and does not include the title, executive summary, list of references or appendices. To grade an assignment a marker does not need to read more words than the word limit of the assignment.

4 Course Weightings: Course weightings of topics should not be interpreted as applying to the number of marks allocated to questions testing those topics in an examination paper. The examination may test material already tested in assignments.

5 Residential School: A Residential School will be cancelled if insufficient numbers, 10 for undergraduate/5 for postgraduate, are enrolled by the cut-off date for enrolling in School. If a student's School is cancelled, they will be notified and they can then contact the Course Leader to arrange an informal meeting at a mutually convenient time.

6 Deferred Work: Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or to sit for an examination at the scheduled time may apply to defer an assessment in a course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination); IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).
