1.1. In consultation with the teacher during the first weeks of the semester, each student will be required to select a movement or movements of a major
concerto as appropriate to the instrument. The selected concerto movement(s) must be approved by the teacher and Head of Music. The concerto movement(s) will then form the basis of the student's work for the semester with the remainder of the concerto forming the basis for Concerto Studies 3. Should such a major work not be available two shorter concerted works may be chosen to fulfil the requirements of the two courses.

2. CLASS AND TEACHER CRITICISM OF STUDENT PERFORMANCE 25.00

2.1. In addition to the normal weekly lesson, students are required to participate in Master Class and Concert Practice Classes as required by the teacher.

3. PERFORMANCE UNDER CONCERT HALL CONDITIONS 25.00

3.1. Students are required to perform at campus Lunchtime Concerts and other performance outlets as required by the teacher and approved by the Head of Music.

4. PERFORMANCE UNDER EXAM CONDITIONS 25.00

4.1. All students are required to present themselves for periodic formal examination. In place of the normal test with piano accompaniment, the student may apply to perform their concerto movt(s) in public with the USQ Student Orchestra by means of a special audition which will take place at the beginning of the relevant semester. Only applicants whose auditions are deemed to be of a sufficiently high standard will be selected for public performance with orchestra. This performance date will be advised by the Head of Music at the beginning of the relevant semester and will not necessarily fall within the official University assessment period. The balance of the Concerto will be performed with piano accompaniment and will form the basis of the end of semester examination for the other semester. This exam may take the form of a campus Lunchtime Concert with the consent of the Head of Music.

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed to course-related activities and administration. Attendance and participation in scheduled individual lessons, instrumental classes and rehearsals is necessary to meet objectives 1, 2 and 3 of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendance (eg medical certificate). Failure to perform as scheduled in public concerts (without substantiated reason as above) will result in a "Fail" grade.

2 Requirements for students to complete each assessment item satisfactorily:
   To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3 Penalties for late submission of required work:
4 Requirements for student to be awarded a passing grade in the course:
To be assured of a passing grade, students must demonstrate, via the summative
assessment items, that they have achieved the required minimum standards in
relation to the objectives of the course by obtaining at least 50% of the total
weighted marks for all summative assessment.

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate
of the marks (or grades) obtained for each of the summative assessment items in
the course (although there is only one assessment item).

6 Examination information:
There is no exam for this course. There are practical tests.

7 Examination period when Deferred/Supplementary examinations will be held:
Given the details under (6) above, there are no deferred exams for this course.
However, if any deferred/makeup work is granted, it would have to be submitted
by a date set by the examiner.

8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10
Academic Misconduct for further information and to avoid actions which might
contravene University Regulations. These regulations can be found at the URL
http://www.usq.edu.au/SECARIAT/calendar/Part5/ or in the printed version of the
current USQ Handbook.

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must lodge the
assignment at the USQ. The onus is on the student to provide proof of the despatch
date, if requested by the Examiner. (b) Students must regain a copy of each item
submitted for assessment. This must be produced within five days if required by
the Examiner. (c) In accordance with University's Assignment Extension Policy
(Regulation 5.6.1), the examiner of a course may grant an extension of the due date
of an assignment in extenuating circumstances such as documented ill-health. (d)
Students who have undertaken all of the required assessments in the course but
who have failed to meet some of the specified objectives of the course within the
normally prescribed time may be awarded the temporary grade: IM
Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of
the examiner, a student will be able to achieve the remaining objectives of the
course after a period of non-directed personal study. (e) Students who, for medical,
family/personal, or employment-related reasons, are unable to complete an
assignment or sit for an examination at the scheduled time, may apply to defer an
assessment in the course. Such a request must be accompanied by appropriate
supporting documentation. One of the following temporary grades may be awarded:
IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up);
IDB (Incomplete - Both Deferred Examination and Deferred Make-up).
