RATIONALE
This course is designed to provide the graduate with important skills ancillary to the main thrust of their instrumental or vocal studies.

SYNOPSIS
This course includes aspects of ensemble performance. For Performance and Orchestral Playing students, the course will enable ensemble experience as well as the development of a working knowledge of some of the more important parts of the orchestral and choral repertoire. For Teaching students, the course will further enhance knowledge of advanced duo, chamber music, orchestral and teaching repertoire. Keyboard players will develop greater skills in accompanying and chamber music, whilst singers will become more familiar with both concert and stage ensemble repertoire. Students will select the module related to their specialisation, vis. Performance, Teaching or Orchestral Playing.

OBJECTIVES
On successful completion of this course students will have acquired advanced skills in performing areas relevant to their specialisation. These are:
• Performance (a) knowledge of repertoire that will enhance their practical and technical skills; (b) important skills in ensemble performance - orchestral or chamber music or accompaniment.
• Orchestral Playing (a) knowledge of the more important areas of the orchestral repertoire for their particular instrument; Principal or Associate Principal level.
• Teaching (a) experience in more difficult chamber music repertoire, and/or accompanying; (b) practical experience in larger ensembles. The standard achieved in the completion of this course will be higher than that achieved in course MUS 4011.

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. Attendance and participation in scheduled individual lessons, instrumental classes and Concert Practice is necessary to meet all objectives of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendance (eg medical certificate). Failure to perform as scheduled in Concert Practice or public concerts (without substantiated reason as above) will result in a "Fail" grade. Ensemble participation is a requirement of this course (Objective 3 for Performance courses - or as appropriate to course in question). Failure to participate in scheduled ensemble rehearsals will incur a deduction of 5% from the final course mark for each rehearsal missed (unless there are substantiated reasons for non attendance - eg medical certificate).

2 Requirements for students to complete each assessment item satisfactorily:
   To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3 Penalties for late submission of required work:
   Not applicable.
4 Requirements for student to be awarded a passing grade in the course:
   To be assured of a passing grade, students must demonstrate, via the summative
   assessment items, that they have achieved the required minimum standards in
   relation to the objectives of the course by obtaining at least 50% of the total
   weighted marks for all summative assessment.

5 Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the weighted aggregate
   of the marks (or grades) obtained for each of the summative assessment items in
   the course.

6 Examination information:
   There is no exam for this course. There is a practical test.

7 Examination period when Deferred/Supplementary examinations will be held:
   Given the details under (6) above, there are no deferred exams for this course.
   However, if any deferred/makeup work is granted, it would have to be submitted
   by a date set by the examiner.

8 University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10
   Academic Misconduct for further information and to avoid actions which might
   contravene University Regulations. These regulations can be found at the URL
   http://www.usq.edu.au/SECARIAT/calendar/Part5/ or in the printed version of the
   current USQ Handbook.

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must lodge the
   assignment at the USQ. The onus is on the student to provide proof of the despatch
   date, if requested by the Examiner. (b) Students must regain a copy of each item
   submitted for assessment. This must be produced within five days if required by
   the Examiner. (c) In accordance with University's Assignment Extension Policy
   (Regulation 5.6.1), the examiner of a course may grant an extension of the due date
   of an assignment in extenuating circumstances such as documented ill-health. (d)
   Students who have undertaken all of the required assessments in the course but
   who have failed to meet some of the specified objectives of the course within the
   normally prescribed time may be awarded the temporary grade: IM
   Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of
   the examiner, a student will be able to achieve the remaining objectives of the
   course after a period of non-directed personal study. (e) Students who, for medical,
   family/personal, or employment-related reasons, are unable to complete an
   assignment or sit for an examination at the scheduled time, may apply to defer an
   assessment in the course. Such a request must be accompanied by appropriate
   supporting documentation. One of the following temporary grades may be awarded:
   IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up);
   IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

OTHER REQUIREMENTS

1 Students should be aware that practical examinations might be recorded.
