OTHER-REQUISITES
Pre-requisite: Students must have completed or be currently enrolled in ECE2108 and ECE1101. Students must have written approval of Program Coordinator to enroll in Semester 3.

SYNOPSIS
This course takes a child study focus and requires students to utilise their skills of observation and interpretation as well as their knowledge of child development, curriculum and conducive learning environments. Students are encouraged to establish motivating and challenging play environments that are flexible and responsive to children and planned in relation to a range of ecological and educational considerations. This course emphasises literacy correctness in all its forms.

OBJECTIVES
On completion of this course students will be able to:

1. identify some of the social, economic, political, and educational trends that impact on an early childhood service
2. discuss regulations, accreditation and curriculum documents as they relate to the learning environment in early childhood settings
3. organise and modify responsive early childhood learning environments
4. plan and implement appropriate experiences for children 0-4 years based on play as a vehicle for learning
5. apply the tools of child study in an integrated way to facilitate understanding of the whole child and her/his particular needs for development
6. work on literacy practices within the early childhood context
7. use written communication effectively and appropriately
8. write clearly, grammatically correctly and with accurate spelling and punctuation.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
   Students must complete 10 days of Professional Experience to pass this course and as partial fulfilment of the Board of Teacher Registration/Department of Families requirements for registration. Any day missed must be made up.

2. Requirements for students to complete each assessment item satisfactorily:
To complete Professional Experience satisfactorily, students must complete the required hours as organised by the Professional Experience Unit and obtain a satisfactory standard on the Professional Experience Summative Assessment Form thus gaining the 1 mark for Professional Experience. The Folder must receive pass.

3 Penalties for late submission of required work:
   If assignments are submitted after the due date without an approved extension of time, University penalties may be applied.

4 Requirements for student to be awarded a passing grade in the course:
   To be assured of a passing grade, students must demonstrate that they have achieved the minimum standards in relation to the objectives of the course by: (i) satisfactorily completing the Professional Experience; and (ii) satisfactorily completing the Professional Experience Folder.

5 Method used to combine assessment results to attain final grade:
   As P is the only passing grade available for this course, all students who are qualified for a passing grade as in Assessment 4 will be given a grade of P. Other students will be given either a Failing grade or an Incomplete grade.

6 Examination information:
   There is no examination for this course.

7 Examination period when Deferred/Supplementary examinations will be held:
   There will be no Deferred or Supplementary examinations in this course.

8 University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

ASSESSMENT NOTES

1 If requested, students will be required to provide a copy of the Folder submitted for assessment purposes. Such copies should be despatched to USQ within 24 hours of receipt of a request being made.

OTHER REQUIREMENTS

1 Results for this course will not be released until Professional Experience has been successfully completed, the Folder assessed and all documentation processed.
