### STAFFING

Examiner: Chris Lee  
Moderator: Brian Musgrove

### SYNOPSIS

The aim of this course is to study the reasons for the survival of classic texts and their transformation from literature to cinema. It compares and contrasts texts from different periods, and the changes over time of their meanings and media. It compares and contrasts films with novels and play texts.

### OBJECTIVES

On successful completion of this course students will:

- have an understanding of the nature of classic or canonical texts;
- be able to critically analyse the set texts in their transformation from past to present, from novel or play to film;
- be competent in articulating these objectives.

NOTES:
1. The OnLine Paper is presented electronically, and a revised written version must be submitted two weeks after the on-line presentation. The date will be advised after consultation with students.
2. On-Line Discussion Group Participation is graded weekly on evidence of preparation and quality of written contribution to on-line discussions.
3. Examination dates will be available during the semester. Please refer to the examination timetable when published.

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   This course contains a discussion forum where students' participation is formally assessed and successful participation in that discussion group is required to complete the requirements to be awarded a passing grade in the course. There are no other attendance requirements for this course. However, it is the students' responsibility to study all material provided to them, or required to be accessed by them, to maximise their chances of meeting the objectives of the course and to be informed of course-related activities and administration.

2 Requirements for students to complete each assessment item satisfactorily:
   To be assured of completing each assessment item satisfactorily a student must submit all of the items of summative assessment by the due date and achieve on each the minimum specified standards outlined in 4 (Requirements for a pass in the course).

3 Penalties for late submission of required work:
   If students submit assignments after the due date without prior approval, then a penalty of 10% of the total marks available for the assignment will apply for each of the first FIVE working days late, after which a zero mark will be given.

4 Requirements for student to be awarded a passing grade in the course:
   To be assured of receiving a passing grade, a student must: (i) submit all of the summative assessment items, including the Tutorial Presentation; and (ii) achieve at least 50% of the available weighted marks for the summative assessment items.

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.

6 Examination information:
The exam for this course is a CLOSED EXAMINATION, and candidates are allowed to bring only writing and drawing instruments into the examination.

7 Examination period when Deferred/Supplementary examinations will be held:
Any deferred or supplementary examinations for this course will be held during the next examination period.

8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner. (b) Students must retain a copy of each item submitted for assessment. This must be despatched to USQ within 24 hours if requested by the Examiner. (c) In accordance with University's Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM (Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (e) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

10 Students are strongly advised to maintain regular contact with their supervisor.
