RATIONALE
This course is designed to permit the student to develop solo performance skills to an advanced level, allowing for a greater degree of musical and technical specialisation than is possible at the undergraduate level.

SYNOPSIS
A highly developed technique with enhanced interpretive skills is crucial to the artistic progress of any professional performer. Through advanced training and experience in these areas of expertise, the student will have the opportunity to develop from student to professional status. Instrumental repertoire will include either the performance of a major concerto or presentation of a recital. Students who chose the concerto in course MUS 8023 will choose the recital for course MUS 8024. Similarly, students who chose the recital in course MUS 8023 will choose the concerto performance in course MUS 8024. Vocal students may choose to emphasise stage or concert repertoire but both should be included. The standard achieved in the successful completion of this course will be higher than that achieved in course MUS 8023.

OBJECTIVES
On successful completion of this course students will:
1. exhibit a high degree of technical skill in their playing or singing, together with a similar degree of artistry and musical insight not only in performance but in an understanding of the works performed and in the related repertoire.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. Attendance and participation in scheduled individual lessons, instrumental classes and Concert Practice is necessary to meet objectives 1 and 2 of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendnace (eg medical certificate). Failure to perform as scheduled in Concert Practice or public concerts (without substantiated reason as above) will result in a "Fail" grade. Ensemble participation is a requirement of this course (Objective 3 for Performance courses - or as appropriate to course in question). Failure to participate in scheduled ensemble rehearsals will incur a deduction of 5% from the final course mark for each rehearsal missed (unless there are substantiated reasons for non attendance - eg medical certificate).

2. Requirements for students to complete each assessment item satisfactorily:
To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3 Penalties for late submission of required work:
   Not applicable.

4 Requirements for student to be awarded a passing grade in the course:
   To be assured of a passing grade, students must demonstrate, via the summative assessment items, that they have achieved the required minimum standards in relation to the objectives of the course by obtaining at least 50% of the total weighted marks for all summative assessment.

5 Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.

6 Examination information:
   There is no exam for this course. There are practical tests.

7 Examination period when Deferred/Supplementary examinations will be held:
   Given the details under (6) above, there are no deferred exams for this course. However, if any deferred/makeup work is granted, it would have to be submitted by a date set by the examiner.

8 University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must lodge the assignment at the USQ. (b) Students must retain a copy of each item submitted for assessment. This must be produced within five days if required by the Examiner. (c) In accordance with University’s Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM Incomplete-Makeup. An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (e) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).
