RATIONALE

Practical musicmaking is a fundamental part of any music program. Performing an individual part in a small ensemble situation is a very important avenue for musical expression and serves to further refine the hearing and coordination skills of the musician, also leading to a wider range of career paths which includes accompaniment and chamber music.

SYNOPSIS

This course is designed to further develop the student's instrumental, interpretive and rehearsal skills through a practical specialisation in accompaniment or chamber music. Particular emphasis will be placed on participation in small ensembles of two or more such as duos, trios, quartets, etc., where important works of the particular genre will be studied in detail, carefully prepared and presented in performance. This course requires students to demonstrate a greater degree of both conceptual and executant skills development than evident in previous Accompaniment/Chamber Music courses.

OBJECTIVES

On successful completion of this course students will have:

1. advanced their individual executant, artistic, rehearsal and performance skills in relation to a small ensemble; exhibited an awareness of the general principles of playing together - the sense of the whole and the role of each instrument, the importance of listening and contributing as a leader or a follower in the creation of the interpretation of the piece through tempo and tempo modification, phrasing, dynamics, balance, colour and texture;
2. the ability to discuss all aspects of the chamber music idiom with special emphasis on the particular genre chosen (duos, trios, quartets etc.), and show a depth of understanding concerning the various styles of music, as well as the different styles and traditions used in performance relating to the various periods in the historical development of the chosen genre;
3. a sound understanding and appreciation of the works considered to be the masterpieces in the chosen genre.

1.1. PERFORMANCE UNDER EXAMINATION CONDITIONS
All students are required to present themselves for periodic formal examination. This examination will be held at the end of semester during the official University assessment period. The examination will be of approximately 30 minutes duration. A student may request to have a campus Lunchtime Concert performance used in the formal examination process. This request would be considered by the Teacher, Examiner and Head of Music. If granted, the date of the Lunchtime Concert performance would be mutually agreed by all parties concerned; however the performance would not necessarily occur in the official University assessment period. In either case the Repertoire List, as agreed between the Student, Teacher, Examiner and Head of Music will form the basis of this examination.

1.2. CLASS AND TEACHER CRITICISM OF CHAMBER MUSIC PERFORMANCE
Students will attend a weekly Chamber Music Class where each group will receive coaching in a workshop situation.

1.3. PERFORMANCE UNDER CONCERT HALL CONDITIONS
Students are required to perform at Concert Practice classes, campus Lunchtime Concerts and on other occasions as nominated by the student’s chamber music teacher.

NOTES

1. Students will be advised of the official test date after the timetable has been finalised.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. Attendance and participation in scheduled individual lessons, instrumental classes and Concert Practice is necessary to meet objectives 1 and 2 of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendance (e.g. medical certificate). Failure to perform as scheduled in Concert Practice or public concerts (without substantiated reason as above) will result in a "Fail" grade. Ensemble participation is a requirement of this course (Objective 3 for Performance courses - or as appropriate to course in question). Failure to participate in scheduled ensemble rehearsals will incur a deduction of 5% from the final course mark for each rehearsal missed (unless there are substantiated reasons for non attendance - e.g. medical certificate).

2. Requirements for students to complete each assessment item satisfactorily:
   To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3. Penalties for late submission of required work:
   Not applicable.

4. Requirements for student to be awarded a passing grade in the course:
   To be assured of a passing grade, students must demonstrate, via the summative assessment items, that they have achieved the required minimum standards in relation to the objectives of the course by obtaining at least 50% of the total weighted marks for all summative assessment.

5. Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.

6. Examination information:
   There is no exam for this course. There is a practical test.

7. Examination period when Deferred/Supplementary examinations will be held:
   Given the details under (6) above, there are no deferred exams for this course. However, if any deferred/makeup work is granted, it would have to be submitted by a date set by the examiner.

8. University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might
contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must lodge the assignment at the USQ. (b) Students must retain a copy of each item submitted for assessment. This must be despatched to USQ within 24 hours if requested by the Examiner. (c) In accordance with University's Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (e) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

OTHER REQUIREMENTS

1 To fulfil the objectives in this practical course note that ongoing attendance is necessary otherwise ensembles cannot function, ensemble and practical skills cannot be developed, and therefore cannot be assessed. Clearly, prolonged lack of attendance runs the risk of leading to a Fail grade in Performance.

2 The sequence of enrolment in the four (4) courses comprising the Chamber Music Elective (viz. Chamber Music 1-3 plus the Chamber Music course from the Genre Studies suite) will depend on the rotational scheduling of the Genre Studies courses.
