Students should have the opportunity to complement their Master degree specialisations with studies essential to the continued development of their abilities to a high level. For Performance students this will involve dissertation preparation and for Teaching students it will involve complementary practical studies.

**SYNOPSIS**
This course is designed to enable Performance students to commence preparation of a dissertation on a specific aspect of music related to their specialisation, and for Teaching students to increase their standard of personal performance and the breadth of their repertoire.

**OBJECTIVES**
On successful completion of this course students will have acquired advanced skills in areas that will complement their specialisation. These are:

1. **PERFORMANCE**: selecting a topic; undertaking a literature review; preparing a detailed dissertation outline.
2. **TEACHING**: selection, preparation and presentation of repertoire that will lead to personal development in practical studies.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. Attendance and participation in scheduled individual lessons, instrumental classes and Concert Practice is necessary to meet objectives 1 and 2 of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendance (eg medical certificate). Failure
to perform as scheduled in Concert Practice or public concerts (without substantiated reason as above) will result in a "Fail" grade.

2 Requirements for students to complete each assessment item satisfactorily:
To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3 Penalties for late submission of required work:
If students submit assignments after the due date without prior approval, then a penalty of 10% of the total marks available for the assignment will apply for each of the first FIVE working days late, after which a zero mark will be given.

4 Requirements for student to be awarded a passing grade in the course:
To be assured of a passing grade, students must demonstrate, via the summative assessment items, that they have achieved the required minimum standards in relation to the objectives of the course by obtaining at least 50% of the total weighted marks for all summative assessment.

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.

6 Examination information:
There is no exam for this course. There is a practical test or dissertation outline submission.

7 Examination period when Deferred/Supplementary examinations will be held:
Given the details under (6) above, there are no deferred exams for this course. However, if any deferred/makeup work is granted, it would have to be submitted by a date set by the examiner.

8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must lodge the assignment at the USQ. (b) Students must retain a copy of each item submitted for assessment. This must be despatched to USQ within 24 hours if requested by the Examiner. (c) In accordance with University's Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (e) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded:
IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

OTHER REQUIREMENTS

1 Unless approval for late submission has been obtained, late assignments will be penalised at the rate of 10% of the assignment’s mark per working day overdue for the first 5 working days, after which a grade of zero will be awarded. For internal students assignments are due by 4.00pm on the due date. Extension requests must be made in writing no later than 24 hours before the due time, and supported by documented evidence, eg medical certificate.
