REQUISITES
Pre-requisite: ANT1001

SYNOPSIS
The first two courses in the Anthropology Major at USQ, ANT1001 (World Archaeology) and ANT1002 (Introduction to Anthropology), have given students basic theories, concepts and examples which provide a solid initiation to the study of Anthropology. ANT2003 is the last of these Anthropology 'foundation' courses. It proceeds from the previous two courses and continues to apply the perspective of evolutionary ecology, and the understanding that culture functions as the primary means through which humans adjust and adapt to the world in which they exist, whatever their circumstances.

OBJECTIVES
On completion of this course students will be able to demonstrate:

1. a knowledge and understanding of relevant concepts, theories, and examples (All Assessment items refer)
2. an ability to understand and critically evaluate relevant professional literature (All Assessment items refer)
3. an ability to engage in Anthropological research on relevant topics, and to report in an effective way, combining theories and 'evidence' from the real world (All Assessment items refer)

NOTES
1. Students will be advised of the exam date when the timetable has been finalised.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
   There are no attendance requirements for this external course. However, it is the student’s responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration.

2. Requirements for students to complete each assessment item satisfactorily:
   To be assured of completing each assessment item satisfactorily a student must submit all of the items of summative assessment by the due date and achieve on each the minimum specified standards outlined in 4 (Requirements for a pass in the course).

3. Penalties for late submission of required work:
   If students submit assignments after the due date without prior approval, then a penalty of 10% of the total marks available for the assignment will apply for each of the first FIVE working days late, after which a zero mark will be given.

4. Requirements for student to be awarded a passing grade in the course:
   To be assured of a passing grade, students must demonstrate, via the summative assessment items, that they have achieved the required minimum standards in relation to the objectives of the course by: (i) satisfactorily completing the examination and assignments; and (ii) obtaining at least 50% of the total weighted marks for all summative assessment items.

5. Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the weighted aggregate of the marks (or grades) obtained for each of the summative assessment items in the course.

6. Examination information:
   The exam for this course is a CLOSED EXAMINATION, and candidates are allowed to bring only writing and drawing instruments into the examination.

7. Examination period when Deferred/Supplementary examinations will be held:
   Any deferred or supplementary examinations for this course will be held during the next examination period.

8. University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL

**ASSESSMENT NOTES**

9. (a) The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner. (b) Students must retain a copy of each item submitted for assessment. This must be despatched to USQ within 24 hours if requested by the Examiner. (c) In accordance with University's Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM (Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (e) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).
