**OTHER REQUISITES**

State law in Queensland (Australia) requires that all adults working/undertaking professional experience/researching with children under the age of 18, in the state of Queensland are required to possess a current suitability card (Blue Card). (See "Other Requirements" for further information.) Also see: http://www.childcomm.qld.gov.au/employment/bluecard/informationSheets.html.

**RATIONALE**

Middle Phase learners (years 6 -9) are unique. It is a period when physical, emotional, intellectual and social changes increasingly dictate their behaviour, beliefs, concerns and motivations. Many of the regions of the brain are still developing and their needs are different from younger children and older adolescents. Recent studies suggest that this is the stage when many students make least progress in learning with the gap between low and high achievers widening. Increasing numbers of students lose their enthusiasm for learning and disengage from traditional classroom activities. This course assists pre-service educators to better understand the important role that middle year teachers play in more closely aligning primary and secondary schooling and better understanding the particular needs and characteristics of adolescent learners to hook and inspire them to keep learning.

**SYNOPSIS**

This course will enable pre-service educators to develop competence in engaging young adolescents with purposeful learning. It will assist those enrolled to develop an understanding of factors which impact on adolescent learning including physical and emotional development, student centred pedagogy and motivation to learn. These factors will then be applied as teachers account for these influences and develop their capacity to motivate middle years' learners. Intending students should be aware that they require regular access to electronic resources including email and the Internet.
OBJECTIVES

The course objectives define the student learning outcomes for a course. The assessment item(s) that may be used to assess student achievement of an objective are shown in parenthesis. On completion of this course students will be able to:

1. identify physical and emotional aspects of adolescent development (Assignment 2)
2. link aspects of adolescent development with student behaviour and learning (Assignment 2)
3. identify positive aspects of teaching young adolescent learners (Both assessment items)
4. demonstrate student centred learning strategies (Assignment 1)
5. develop productive strategies to motivate and engage young adolescent learners (Assignment 1)
6. demonstrate effective communication skills (Both assessment items).

1 Attendance requirements:
   It is the students' responsibility to attend and participate appropriately in all activities
   (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to
   study all material provided to them or required to be accessed by them to maximise their
   chance of meeting the objectives of the course and to be informed of course-related
   activities and administration.
2 Requirements for students to complete each assessment item satisfactorily:
   To satisfactorily complete an individual assessment item a student must achieve at least
   50% of the marks available for each assessment item.
3 Penalties for late submission of required work:
   If students submit assignments after the due date without prior approval then a penalty of
   10% of the total marks gained by the student for the assignment will apply for each working
   day late.
4 Requirements for student to be awarded a passing grade in the course:
   To be assured of receiving a passing grade a student must complete and submit all of the
   summative assessment items and achieve at least 50% of the total weighted marks available
   for the course.
5 Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the weighted aggregate of
   the marks obtained for each of the summative assessment items in the course.
6 Examination information:
   There is no examination in this course.
7 Examination period when Deferred/Supplementary examinations will be held:
   There will be no Deferred or Supplementary examinations in this course.
8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

**ASSESSMENT NOTES**

1. The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the examiner.

2. Students must retain a copy of each item submitted for assessment. This must be produced within twenty-four (24) hours of receipt of request being made by the examiner. The student must retain this copy until the grade for this course has been finalised.

3. In accordance with the University’s assignment extension policy (Regulation 5.6.1), the examiner may grant an extension of the due date of an assignment in extenuating circumstances.

4. The Faculty will normally only accept assessments that have been written, typed or printed on paper-based media. The Faculty will NOT accept submission of assignments by facsimile. Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the examiner of the course to negotiate such special arrangements.

5. Students who have undertaken all of the required assessments in a course but who have failed to meet some of the specified objectives of a course within the normally prescribed time may be awarded the temporary grade: IM (Incomplete - Make up). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study.

6. Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assessment or to sit for an examination at the scheduled time may apply to defer an assessment in a course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded IDS (Incomplete - Deferred Examination); IDM (Incomplete - Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

7. When there is more than one marker for a single item of assessment, the distributed patterns and means for the different markers will be compared and marks adjusted if necessary.

8. Marking criteria are provided in course material as mark sheets/guides or as part of assignment specifications.

9. Summative assessment items will receive a numerical score. Any ungraded assessment requirement will receive a Pass, Fail or Incomplete.

2. Students are to use a recognised referencing system as specified by the examiner.

3. IMPORTANT NOTE: Working with Children: State law in Queensland requires that all adults (including university students, pre-service educators, trainers, vocational teachers, industry educators) working with children under the age of 18, in the State of Queensland*, obtain approval before commencing such work. Many education courses include a practical component (professional experience, project work, research, assessment etc.) that may require engagement with children under the age of 18. It is your responsibility to ensure
that you possess a current suitability card (Blue Card) before commencing any practical components of this course. DO NOT PARTICIPATE IN ANY PRACTICAL EXPERIENCE WITH CHILDREN UNDER 18 UNLESS YOU POSSESS A CURRENT 'BLUE CARD'. For further information: http://www.childcomm.qld.gov.au/employment/bluecard/informationSheets.html *If you are undertaking practical experience outside the State of Queensland, Australia you should check local requirements.

Attendance at a 3 day retreat (week 3) is strongly recommended. Students who cannot attend the retreat will be offered supplementary learning.
