State law in Queensland (Australia) requires that all adults working/undertaking professional experience/researching with children under the age of 18, in the state of Queensland are required to possess a current suitability card (Blue Card). **RATIONALE**

Educators responsible for teaching in postprimary educational settings need a clear understanding of the nature of adolescent development and an awareness of the particular psychological, social, and instructional characteristics of adolescent learners. This knowledge will assist these teachers to understand, plan for, and effectively teach students who are in their adolescent years.

**SYNOPSIS**

In the period of adolescence, very significant development occurs physically, socially, intellectually, and emotionally. Rapid spurts in growth and the onset of physical maturity are obvious changes. Cognitive, social, personal and emotional development are central to the development of identity during adolescence and are major influences in planning and implementing an educational curriculum in postprimary and training settings. Students undertaking this course will develop an understanding of the developmental characteristics of adolescents and of the implications of that development for planning and implementing educational programs.

**OBJECTIVES**

The course objectives define the student learning outcomes for a course. The assessment item(s) that may be used to assess student achievement of an objective are shown in parenthesis. On successful completion of this course students will be able to:
1. describe significant features of physical, social, intellectual and emotional adolescent development (All assessment items)

2. discuss significant factors affecting the personal development of adolescents. This would include changes in moral and ethical values and attitudes, the development of sexual identity and sexuality, identity and relationship issues, drugs, alcohol and delinquent behaviour and health, stress and coping issues (All assessment items)

3. describe the implications of adolescent development for planning instruction. Some factors to be considered would include: teacher-student relationships with adolescents; concepts of discipline, self-control and autonomy; changes in intellectual capacities and style as a result of maturation; career development with regard to gender, culture and ethnicity. (All assessment items)

4. Demonstrate knowledge, understanding and application of correct communication skills including literacy, presentation and accurate referencing protocols. (All assessment items)

ASSESSMENT NOTES

1 The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner.
2 Students must retain a copy of each item submitted for assessment. This must be produced within 24 hours if required by the Examiner.
3 The examiner may grant an extension of the due date of an assignment in extenuating circumstances.
4 The Faculty will only accept assignments that have been typed or printed on paper-based media.
5 The Faculty will NOT accept submission of assignments by facsimile or by email.
6 Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the examiner of the course to negotiate such special arrangements.
7 Students who have undertaken all of the required assessments in a course but who have failed to meet some of the specified objectives of a course within the normally prescribed time may be awarded the temporary grade: IM (Incomplete - Make up). 8 Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or to sit for an examination at the scheduled time may apply to defer an assessment in a course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).
