OTHER REQUISITES
State law in Queensland (Australia) requires that all adults working/undertaking professional experience/researching with children under the age of 18, in the state of Queensland are required to possess a current suitability card (Blue Card). (See "Other Requirements" for further information.)
Also see: http://www.childcomm.qld.gov.au/employment/bluecard/informationSheets.html

RATIONALE
While a career is a significant and integral part of the life of most people, the shape of careers is undergoing considerable change as the world of work changes from an industrial-based model to an information and service-based model. Career guidance and education are becoming more important than ever, as counsellors, teachers, parents and others help prepare students to participate effectively in the new work environment.

SYNOPSIS
This course will introduce students to the major theories of career development and associated practices that are relevant for persons training as school guidance officers, and others who are interested in the broad area of career planning and development. Emphasis will be given to integration of theory and practice within educational environments. Emerging theories and technologies will also be considered. It is expected that students will have access to a school or other educational setting in which they are able to apply the concepts and principles studied in this course. Students will also be expected to participate in online formative assessment activities using Study Desk discussions.
OBJECTIVES

The course objectives define the student learning outcomes for a course. The assessment item(s) that may be used to assess student achievement of an objective are shown in parenthesis. On successful completion of this course students will be able to:

1. demonstrate an understanding of definitions and the complementary components of career guidance, careers education and career development (Assignment 1)
2. demonstrate an understanding of the changing nature of the world of work and the skills needed to develop a flexible career plan (Assignments 1 and 2)
3. outline and provide an evaluation of the major theories of career development (Assignment 1)
4. apply appropriate theories to the career guidance process (Assignments 1 and 2)
5. develop and justify an approach to career guidance and education which is relevant to a particular educational setting (Assignment 2)
6. develop a program appropriate to students in educational settings (Assignment 2)
7. evaluate a range of career guidance/education resources (Assignment 2)
8. comment critically on a range of other practical issues affecting career guidance. (Assignment 2)

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   There are no attendance requirements for this course. However, it is the students' responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. It is expected that students will have access to a school or other educational setting in which they are able to apply the concepts and principles studied in this course. Students will also be expected to participate in online formative assessment activities using Study Desk discussions.

2 Requirements for students to complete each assessment item satisfactorily:
   To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item. USQ Regulation 5.6 Assessment 5.6.10 Resubmission of Assessment Items states that, "... an examiner may permit students to resubmit an assignment that has received a failing grade or a mark of less than 50%. If a student is permitted to resubmit a failed assignment, normally the only passing mark allowable for the resubmitted assignment will be 50%." Students will be allowed to resubmit both marked assessment items for re-assessment.

3 Penalties for late submission of required work:
   If students submit assignments after the due date without prior approval then a penalty of 1% of the total marks gained by the student for the assignment may apply for each working day late.

4 Requirements for student to be awarded a passing grade in the course:
To be assured of receiving a passing grade a student must complete and submit all of the summative assessments items and achieve at least 50% of the total weighted marks available for the course.

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the weighted aggregate of the marks obtained for each of the summative assessment items in the course.

6 Examination information:
There is no examination in this course.

7 Examination period when Deferred/Supplementary examinations will be held:
There will be no Deferred or Supplementary examinations in this course.

8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6. Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm or in the current USQ Handbook.

**ASSESSMENT NOTES**

1 The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner.

2 Students must retain a copy of each item submitted for assessment. This must be produced within twenty-four (24) hours of receipt of request being made by the Examiner. The student must retain this copy until the grade for this course has been finalised.

3 The Examiner may grant an extension of the due date of an assignment in extenuating circumstances.

4 In the event that a due date for an assignment falls on a local public holiday in their area, the due date for the assignment will be the next working day. Students are to note on the assignment cover the date of the public holiday for the Examiner's convenience.

5 Students who have undertaken all of the required assessments in a course but who have failed to meet some of the specified objectives of a course within the normally prescribed time may be awarded the temporary grade: IM (Incomplete - Make up). An IM grade will only be awarded when, in the opinion of the Examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study.

6 Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or to sit for an examination at the scheduled time may apply to defer an assessment in a course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded IDS (Incomplete - Deferred Examination); IDM (Incomplete - Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

7 When there is more than one marker for a single item of assessment, the distributed patterns and means for the different markers will be compared and marks adjusted if necessary.

8 The Faculty will normally only accept assessments that have been written, typed or printed on paper-based media. The Faculty will NOT accept submission of assignments by facsimile. Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the Examiner of the course to negotiate such special arrangements.
9 Marking criteria are provided in course material as mark sheets/guides or as part of assignment specifications.

10 Summative assessment items will receive a numerical score. Any ungraded assessment requirement will receive a Pass, Fail or Incomplete.

OTHER REQUIREMENTS

1 Students will require access to e-mail and Internet access to USQConnect for this course.
2 Students are to use a recognised referencing system a specified by the course examiner.
3 IMPORTANT NOTE: Working with Children: State law in Queensland requires that all adults (including university students, pre-service educators, trainers, vocational teachers, industry educators) working with children under the age of 18, in the state of Queensland*, obtain approval before commencing such work. Many education courses include a practical component (professional experience, project work, research, assessment etc..) that may require engagement with children under the age of 18. It is your responsibility to ensure that you possess a current suitability card (Blue Card) before commencing any practical components of this course. DO NOT PARTICIPATE IN ANY PRACTICAL EXPERIENCE WITH CHILDREN UNDER 18 UNLESS YOU POSSESS A CURRENT 'BLUE CARD'. For further information: http://www.childcomm.qld.gov.au/employment/bluecard/informationSheets.html. *If you are undertaking practical experience outside the state of Queensland, Australia you should check local requirements.
