2. Date will be announced by the Examiner. Ensemble Assessment is aligned with Objective 3.

IMPORTANT ASSESSMENT INFORMATION

1. Attendance requirements:
It is the students' responsibility to attend and participate appropriately in all activities (such as lectures, tutorials, laboratories and practical work) scheduled for them, and to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. Attendance and participation in scheduled individual lessons, instrumental classes and Concert Practice is necessary to meet objectives 1 and 2 of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendance (eg medical certificate). Failure to perform as scheduled in Concert Practice or public concerts (without substantiated reason as above) will result in a "Fail" grade. Ensemble participation is a requirement of this course (Objective 3 for Performance courses - or as appropriate to course in question). Failure to participate in scheduled ensemble rehearsals will incur a deduction of 5% from the final course mark for each rehearsal missed (unless there are substantiated reasons for non attendance - eg medical certificate). Failure to perform in assigned ensemble activities will result in a "fail" grade. For this course, normal class requirements consist of a one hour individual instrumental or singing lesson per week, a 1.5 Concert Practice and one or more two to three hour rehearsal periods per week for ensemble work as directed by the Head of Music.

2 Requirements for students to complete each assessment item satisfactorily:
To complete each of the assessment items satisfactorily, students must obtain at least 50% of the marks available for each assessment item.

3 Penalties for late submission of required work:
Not applicable.

4 Requirements for student to be awarded a passing grade in the course:
Students are required to have passed both the solo performance and ensemble modules before an overall pass in the course can be awarded.

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the aggregate of the weighted marks obtained for each of the summative assessment items in the course.

6 Examination information:
There is no exam for this course. There are practical tests.

7 Examination period when Deferred/Supplementary examinations will be held:
Given the details under (6) above, there are no deferred exams for this course. However, if any deferred/makeup work is granted, it would have to be submitted by a date set by the examiner.

8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm
