RATIONALE
This course provides the student with important music skills which supplement Performance courses. Important elements in the development of a musician are aural awareness and a knowledge of music writing techniques.

SYNOPSIS
This course provides practical instruction and practice in the use of tonal harmony. It also facilitates aural acuity relating to pitch, melody and rhythm. Each succeeding Music Craft course further develops this acuity. A knowledge and experience of foundational Dalcroze Eurhythmics is provided for on campus students.

OBJECTIVES
On successful completion of this course students will have:

1. a knowledge of and skills in writing basic four-part harmony;
2. developed their powers of aural observation and awareness;
3. a knowledge and experience of foundational Dalcroze Eurhythmics.

2. MODULE B - AURAL TRAINING This module develops aural acuity relating to pitch, melody and rhythm. Pitch work deals with formation and recognition of scales and modes, and with a sequential development of interval recognition. Melody work deals with mostly stepwise movement; while rhythm work fosters an ability to think in rhythmic units, and to develop a shorthand notation so that rhythms can be notated rhythmically, accurately and quickly.

## IMPORTANT ASSESSMENT INFORMATION

1. **Attendance requirements:**
   There are no attendance requirements for this external course. However, it is the student's responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration.

2. **Requirements for students to complete each assessment item satisfactorily:**
   To successfully complete an individual assessment item, a student must achieve at least 50% of the marks or a grade of at least C-. This statement must be read in conjunction with Statement 4 below.

3. **Penalties for late submission of required work:**
   Assignments submitted after the due date, and without prior approval of an extension from the examiner, will be penalised at the rate of 10% per working day up to 5 days, after which a grade of zero will be awarded. Extension requests must be made in writing no later than 24 hours before the due time, and supported by documented evidence, eg medical certificate.
4 Requirements for student to be awarded a passing grade in the course:
To be assured of receiving a passing grade, a student must achieve at least 50% of the total weighted marks available for the course.

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the aggregate of the weighted marks obtained for each of the summative assessment items in the course.

6 Examination information:
The exam for this course is a CLOSED examination, and candidates are allowed to bring only writing and drawing instruments into the examination. Students must bring a CD player/walkman with headphones to the examination for module B. See Other Requirements 1.

7 Examination period when Deferred/Supplementary examinations will be held:
Any deferred or supplementary examinations for this course will be held during the next examination period.

8 University Regulations:
Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic Misconduct for further information and to avoid actions which might contravene University Regulations. These regulations can be found at the URL http://www.usq.edu.au/corporateservices/calendar/part5.htm

ASSESSMENT NOTES

9 (a) The due date for an assignment is the date by which a student must despatch the assignment to the USQ. The onus is on the student to provide proof of the despatch date, if requested by the Examiner. (b) Students must retain a copy of each item submitted for assessment. This must be despatched to USQ within 24 hours if requested by the Examiner. (c) In accordance with University’s Assignment Extension Policy (Regulation 5.6.1), the examiner of a course may grant an extension of the due date of an assignment in extenuating circumstances such as documented ill-health. (d) In the event that a due date for an assignment falls on a local public holiday in their area, such as a Show holiday, the due date for the assignment will be the next day. Students are to note on the assignment cover the date of the public holiday for the examiner’s convenience. (e) Students who do not have regular access to postal services or who are otherwise disadvantaged by these regulations may be given special consideration. They should contact the examiner of the course to negotiate such special arrangements. (f) Students who have undertaken all of the required assessments in the course but who have failed to meet some of the specified objectives of the course within the normally prescribed time may be awarded the temporary grade: IM (Incomplete-Makeup). An IM grade will only be awarded when, in the opinion of the examiner, a student will be able to achieve the remaining objectives of the course after a period of non-directed personal study. (g) Students who, for medical, family/personal, or employment-related reasons, are unable to complete an assignment or sit for an examination at the scheduled time, may apply to defer an assessment in the course. Such a request must be accompanied by appropriate supporting documentation. One of the following temporary grades may be awarded: IDS (Incomplete - Deferred Examination; IDM (Incomplete Deferred Make-up); IDB (Incomplete - Both Deferred Examination and Deferred Make-up).

OTHER REQUIREMENTS

1 For the end of semester exam in Module B students will need to provide their own CD (audio) player and set of headphones.
