Pre-requisite: MUS2004

RATIONALE
The development of practical musical ability is a fundamental part of any music program; performing ability in both solo and ensemble situations is the individual's most important avenue for musical expression.

SYNOPSIS
The course content will focus on performance in the student's main area of practical performance. Additionally, this course makes provision for the advancement of ensemble playing skills, in both large and small groups. Each succeeding course in Performance will require students to demonstrate a greater degree of both conceptual and executant skills development than evident in previous Performance courses.

OBJECTIVES
Having completed the pre-requisite course, on successful completion of this course students will:

1. have further advanced their standard of performance in their chosen field of practical study;
2. have further increased their knowledge of the literature of music by the study of carefully selected works from the repertoire relevant to their chosen field of practical study;
3. have improved their ensemble playing skills by concentrated and consistent work and practice in group performance;
4. have acquired experience/knowledge in ushering and stage management for concerts. (On-Campus students only).

IMPORTANT ASSESSMENT INFORMATION

1 Attendance requirements:
   There are no on campus attendance requirements for this external course. However, it is the student's responsibility to study all material provided to them or required to be accessed by them to maximise their chance of meeting the objectives of the course and to be informed of course-related activities and administration. Attendance and participation in scheduled individual lessons is necessary to meet the objectives of this course and is therefore a requirement. Failure to attend/participate in at least 80% of these classes will result in a 10% deduction from the final course mark unless there are substantiated reasons for non attendance (eg medical certificate). Ensemble participation is a requirement of this course (Objective 3). Failure to participate in scheduled ensemble rehearsals will incur a deduction of 5% from the final course mark for each rehearsal missed (unless a medical certificate is provided).

2 Requirements for students to complete each assessment item satisfactorily:
   To successfully complete an individual assessment item, a student must achieve at least 50% of the marks or a grade of at least C-. This statement must be read in conjunction with Statement 4 below.
3 Penalties for late submission of required work:
   Not applicable.
4 Requirements for student to be awarded a passing grade in the course:
   Students are required to have passed both the solo performance and ensemble modules
   before an overall pass in the course can be awarded.
5 Method used to combine assessment results to attain final grade:
   The final grades for students will be assigned on the basis of the aggregate of the weighted
   marks obtained for each of the summative assessment items in the course.
6 Examination information:
   There is no exam for this course. There are practical tests.
7 Examination period when Deferred/Supplementary examinations will be held:
   Given the details under (6) above, there are no deferred exams for this course. However,
   if any deferred/makeup work is granted, it would have to be submitted by a date set by
   the examiner.
8 University Regulations:
   Students should read USQ Regulations 5.1 Definitions, 5.6 Assessment, and 5.10 Academic
   Misconduct for further information and to avoid actions which might contravene University
   Regulations. These regulations can be found at the URL
   http://www.usq.edu.au/corporateservices/calendar/part5.htm

   assignment to the USQ. The onus is on the student to provide proof of the despatch date,
   if requested by the Examiner. (b) Students must retain a copy of each item submitted for
   assessment. This must be despatched to USQ within 24 hours if requested by the Examiner.
   (c) In accordance with University’s Assignment Extension Policy (Regulation 5.6.1), the

   circumstances such as documented ill-health. (d) In the event that a due date for an
   assignment falls on a local public holiday in their area, such as a Show holiday, the due
   date for the assignment will be the next day. Students are to note on the assignment cover
   the date of the public holiday for the examiner’s convenience. (e) Students who do not
   have regular access to postal services or who are otherwise disadvantaged by these
   regulations may be given special consideration. They should contact the examiner of the
   course to negotiate such special arrangements. (f) Students who have undertaken all of
   the required assessments in the course but who have failed to meet some of the specified
   objectives of the course within the normally prescribed time may be awarded the temporary
   grade: IM (Incomplete-Makeup). An IM grade will only be awarded when, in the opinion
   of the examiner, a student will be able to achieve the remaining objectives of the course
   after a period of non-directed personal study. (g) Students who, for medical,
   family/personal, or employment-related reasons, are unable to complete an assignment
   or sit for an examination at the scheduled time, may apply to defer an assessment in the
   course. Such a request must be accompanied by appropriate supporting documentation.
