chance of meeting the objectives of the course and to be informed of course-related activities and administration. For this course, normal class attendance consists of one 2 hour tutorial and up to one 2 hour practical class per week.

2 Requirements for students to complete each assessment item satisfactorily:
To successfully complete an individual assessment item, a student must achieve at least 50% of the marks or a grade of at least C-. This statement must be read in conjunction with Statement 4 below.

3 Penalties for late submission of required work:
If students submit assignments after the due date without prior approval, then a penalty of 10% of the total marks available for the assignment will apply for each of the first FIVE working days late, after which a zero mark will be given.

4 Requirements for student to be awarded a passing grade in the course:
To be assured of a passing grade, students must demonstrate, via the summative assessment items, that they have achieved the required minimum standards in relation to the objectives of the course by: (i) satisfactorily completing the practical test and assignments; and (ii) obtaining at least 50% of the total weighted marks for all summative assessment items. Students will be allowed to resubmit a failed first year assessment item for reassessment. If a student is permitted to resubmit a failed assignment, normally the only passing grade or mark allowable for the resubmitted assignment will be C- or 50% (as appropriate).

5 Method used to combine assessment results to attain final grade:
The final grades for students will be assigned on the basis of the aggregate of the weighted marks obtained for each of the summative assessment items in the course.

6 Examination information:
There is no exam for this course. There are practical tests.

7 Examination period when Deferred/Supplementary examinations will be held:
Given the details under (6) above, there are no deferred exams for this course. However, if any deferred/makeup work is granted, it would have to be submitted by a date set by the examiner.
