Program focus

The aim of this program is to provide English language preparation for tertiary study based on the personal and intellectual transition required by individual students to succeed in higher education in the Australian context. It aims to develop thinking processes and academic English skills to prepare students from non-English speaking backgrounds for university education. It provides this transition for international students not fully prepared academically or requiring a higher level of English for tertiary study.

Program objectives

On successful completion of the English for Academic Purposes program, this program, students should be able to demonstrate:

- an understanding of, and an adjustment to, the academic cultural context of the Australian university;
- a capacity to take control of their own learning by using appropriate learning strategies;
- confidence and ability to think critically and to analyse an argument;
- competence in accessing and communicating concepts and ideas in spoken and written form as appropriate to the higher education context; and
- a capacity to establish working relationships with their lecturers and other students.

Admission requirements

- **Resident status**: students on international student visas or students from non-English speaking backgrounds resident in Australia
- **Minimum academic requirements**: completion of senior secondary schooling in the home country or Year 12 in an Australian High School or completed 'A' levels or mature-age entry.
- **English Language Entry Requirements**
  - EAP I - An entry level of IELTS 5.0 or equivalent
  - EAP II (Undergraduate and coursework) - An entry level of IELTS 5.5 or equivalent
EAP II (Postgraduate research) - An entry level of IELTS 5.5 or equivalent

How to apply

International students
This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to USQ International for information about entry requirements, visa arrangements and how to apply.

Domestic students
Admission to USQ is made by lodging an Open Access College direct entry application form.

Program fees

International full fee paying place
International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the Course Fee Finder.

Fee exempt places
All domestic students are offered a fee-free place provided they meet the citizenship and residency requirements as follows:
- Australian citizens
- holders of a Permanent Humanitarian Visa (and resident in Australia)
- holders of a Permanent Resident Visa (and resident in Australia)
- New Zealand citizens (resident in Australia).

Program structure

EAP I
Students must enrol in two courses:
- EAP7307 - Academic Speaking and Listening (2 unit points)
- EAP7308 - Academic Reading and Writing (2 unit points)

EAP II (Undergraduate and postgraduate coursework students)
Students must enrol in the three core courses:
- EAP7310 - Studying at University
- EAP7320 - Communication Processes
- EAP7340 - Academic English Skills

Students select one additional course based upon faculty pre-requisites from the following:
- EAP 7381 - Applied Communication (Level A)
- EAP7382 - Applied Communication (Level B)
- EAP7383 - Applied Communication (Level C)

EAP II (Postgraduate research and doctoral students)
Students must enrol in the three core courses:
- EAP7320 - Communication Processes
- EAP7340 - Academic English Skills
- EAP7350 - Language of Research (2 unit points)
Program completion requirements
To successfully pass the EAP program and be recommended for degree studies at USQ in the Faculty of Engineering, Business, Sciences and Arts, students must pass all courses in the program.

Students entering an undergraduate or postgraduate program in the Faculty of Education using successful completion from EAPP as satisfaction of the language requirement, must pass the EAP program and achieve an 'A' grade (75% or better) in two language courses - EAP7340 Academic English Skills and EAP7320 Communication Processes.

Students entering a postgraduate research or doctoral program using successful completion from EAPP as satisfaction of the language requirement, must pass the EAP program and achieve an 'A' grade (75% or better) in two language courses - EAP7340 Academic English Skills and EAP7320 Communication Processes.

Students failing courses in EAPP are required to retake those courses and seek recommendations from the Head of Program regarding a suitable pathway to gain entry to degree studies.

Required time limits
Standard duration of the program is a minimum of 20 weeks and a maximum of 36 weeks.

Recommended enrolment pattern
This program is delivered across all semesters up to five times per year.
