**Program fees**

**Domestic full fee paying place**
Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-HELP.

**International full fee paying place**
International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the Course Fee Finder.

**Program structure**
Students are required to satisfactorily complete four business, commerce, information systems, or law courses. The courses normally should be at undergraduate level. However postgraduate 5000 level courses may be undertaken with the approval of the Faculty of Business, Education, Law and Arts.

**Required time limits**
Students have a maximum of 2 years to complete this program.

**IT requirements**
For information technology requirements please refer to the minimum computing standards.

**Other program requirements**
